

ORDINANCE NO. 32-20

AN ORDINANCE OF THE CITY OF RICHLAND, granting to New Cingular Wireless PCS, LLC (d/b/a AT&T Mobility), and its successors and assigns, the right, privilege, authority and non-exclusive franchise for ten (10) years to construct, maintain, operate, replace and repair a telecommunications network in, across, over, along, under, through and below certain designated public rights-of-way of the City of Richland, Washington.

WHEREAS, Richland was incorporated as a city of the first class on December 10, 1958; and

WHEREAS, Article 11, Section 11 of the Washington State Constitution provides that the City of Richland “may make and enforce within its limits all such local police, sanitary and other regulations as are not in conflict with general laws”; and

WHEREAS, the Richland City Council, as provided in RCW 35.22.570, has any authority ever given to any class of municipality or to all municipalities of this state, and all powers possible for a city or town to have under the Constitution of this state, and not specifically denied to code cities by law, which may be exercised in regard to the regulation or use of public ways and property of all kinds and improvements thereto; and

WHEREAS, the City of Richland, a Washington first-class charter city, by Section 2.07(F) of its Charter, has granted to the Richland City Council the authority to grant franchises by ordinance; and

WHEREAS, New Cingular Wireless PCS, LLC (d/b/a AT&T Mobility) (hereinafter referred to as “Franchisee”) has applied to the City of Richland, Washington for a non-exclusive franchise (“Franchise”) to enter, occupy, and use public ways to construct, install, operate, maintain, and repair wireless communications facilities to offer and provide telecommunications services for hire, sale, or resale in the City of Richland (hereinafter referred to as the “City”); and

WHEREAS, the 1934 Communications Act, as amended by the 1996 Telecommunications Act, 47 USC § 151, et seq., relating to telecommunications providers, recognizes and provides state and local governments with the authority to manage the public rights-of-way and to require fair and reasonable compensation on a competitively neutral and nondiscriminatory basis; and

WHEREAS, Washington’s Telecommunications Services Act, codified as Chapter 35.99 RCW and relating to telecommunications providers, recognizes and provides Washington cities with authority to require franchises and use permits for

constructing, installing, operating, maintaining, repairing, or removing telecommunication facilities in public rights-of-way; and

WHEREAS, a franchise is a legislatively approved master permit, as defined in Chapter 35.99 RCW and Title 28 of the Richland Municipal Code (RMC), granting general permission to a service provider to enter, use, and occupy the public ways for the purpose of locating facilities, subject to requirements that a franchisee must also obtain separate use permits from the City for use of each and every specific location in the public ways in which the franchisee intends to construct, install, operate, maintain, repair or remove identified facilities; and

WHEREAS, a franchise does not include, and is not a substitute for, any other permit, agreement, or other authorization required by the City, including, without limitation, permits required in connection with construction activities in public rights-of-way which must be administratively approved by the City after review of specific plans; and

WHEREAS, no ordinance shall be finally passed unless it is approved by a majority of all members of Council, nor shall any ordinance relating to a franchise be finally passed less than six days following its introduction and first reading, and every ordinance granting a franchise shall become effective at the expiration of thirty days following its first publication, or on any day thereafter fixed by Council; and

WHEREAS, the City Council finds that the franchise terms and conditions contained in this ordinance are in the public interest.

NOW, THEREFORE, BE IT ORDAINED by the City Council as follows:

Section 1. Definitions. For the purposes of this Ordinance, the following terms, phrases, words, and their derivations will have the meanings given herein, regardless of whether or not they are capitalized herein. When not inconsistent with the context, words used in the present tense include the future, words in the plural include the singular, and words in the singular include the plural. Words not defined will have the meaning ascribed to those words in Title 28 RMC, Chapter 23.62 RMC, or elsewhere in the Richland Municipal Code, unless inconsistent herewith.

"Cable Television Service" means the one-way transmission to subscribers of video programming and other programming service and subscriber interaction, if any, that is required for the selection or use of the video programming or other programming service.

"Conduit" means fiber optic cable housing, jackets, or casing, and pipes, tubes, or tiles used for receiving and protecting wires, lines, cables, and communication and signal lines.

"Costs" means actual and documented costs, expenses, and other financial obligations of any kind whatsoever.

"Effective Date" means the thirty-first day following the publication of this Franchise (or a summary thereof) occurs in an official newspaper of the City as provided by law.

"Existing" means a physical structure or facility in existence prior to the effective date of this Franchise.

"Force Majeure Event" is defined for purposes of this Franchise as strikes, lockouts, sit-down strike, unusual transportation delays, riots, floods, washouts, explosions, earthquakes, fire, storms, weather (including inclement weather which prevents construction), epidemic casualty, acts of the public enemy, wars, terrorism, insurrections, and any other similar act of God event.

"Incremental Costs" means the actual and necessary costs incurred which exceed costs which would have otherwise been incurred. Incremental costs shall not include any part, portion, or pro-ration of costs, of any kind whatsoever, including, without limitation, overhead or labor costs, which would have otherwise been incurred.

"Information" means knowledge or intelligence represented by any form of writing, signs, signals, pictures, sounds, or any other symbols.

"Public Way" or "Right-of-Way" means land acquired or dedicated for public roads and streets, but does not include: WSDOT managed state highways; land dedicated for roads, streets, and highways not opened and not improved for motor vehicle use by the public; federally granted trust lands or forest board trust lands; lands owned or managed by the state parks and recreation commission; or federally granted railroad rights-of-way acquired under 43 U.S.C. Sec. 912 and related provisions of federal law that are not open for motor vehicle use. Rights-of-Way, for the purpose of this Franchise, do not include: buildings, other City-owned physical facilities, parks, poles, conduits, fixtures, real property or property rights owned by the City, or similar facilities or property owned by or leased to the City.

"Street Tree" means any tree located in, or that portion over-hanging, any Public Way and any tree planted on private property near a Public Way at the direction of the City.

"Underground Facilities" means facilities located under the surface of the ground, other than underground foundations or supports for overhead facilities.

"Utility Poles" means poles, and crossarms, devices, and attachments directly affixed to such poles which are used for the transmission and distribution of electrical energy, signals, or other methods of communication. Utility Poles also includes metal light standards.

"Small Wireless Facilities" or "Facilities" means small wireless facilities as defined in 47 CFR Section 1.6002, as may be amended. Small Wireless Facilities shall also include all necessary cables, transmitters, receivers, equipment boxes, backup power supplies, power transfer switches, electric meters, coaxial cables, wires, conduits, ducts,

pedestals, antennas, electronics, and other necessary or convenient appurtenances used for the specific wireless communications facility. Equipment enclosures with equipment generating noise that exceeds the noise limits allowed in the Codes, or associated permit, are excluded from “Small Wireless Facilities.”

Section 2. Franchise.

- A. The City grants to Franchisee, subject to the terms and conditions of this Franchise, a non-exclusive franchise and master permit to enter, occupy, and use Public Ways of the City of Richland (the “Franchise Area”) for constructing, installing, operating, maintaining, repairing, and removing Facilities necessary to provide telecommunications services. Except as expressly provided herein, Franchisee shall construct, install, operate, maintain, repair, and remove its Facilities at its expense.
- B. Nothing in this Franchise grants authority to Franchisee to enter, occupy, or use public ways for constructing, installing, operating, maintaining, repairing, or removing those personal wireless services and associated facilities that fall outside of the definition of Small Wireless Facilities (i.e. macro facilities). Further, nothing in this Franchise grants authority to Franchisee to enter, occupy, or use public ways for constructing, installing, operating, maintaining, repairing, or removing wireline facilities (e.g., wireline backhaul, wireline broadband transmission services, or any other wire-based services, whether provided by a third-party provider, franchisee, or a corporate affiliate of Franchisee).
- C. Nothing in this Franchise grants authority to Franchisee to enter, occupy, or use City property, including any City-owned conduit, pole(s), or structure(s). A separate lease or pole attachment agreement is necessary prior to such attachment or use.
- D. Any rights, privileges, and authority granted to Franchisee under this Franchise are subject to the legitimate rights of the police power of the City to adopt and enforce general ordinances necessary to protect the safety and welfare of the public, and nothing in this Franchise excuses Franchisee from its obligation to comply with all applicable general laws enacted by the City pursuant to such power. Any conflict between the terms or conditions of this Franchise and any other present or future exercise of the City's police powers will be resolved in favor of the lawful exercise of the City's police power.
- E. Nothing in this Franchise excuses Franchisee of its obligation to identify its facilities and proposed facilities, and their location or proposed location, in the public ways and to obtain use and/or development authorization and permits from the City before entering, occupying, or using public ways to construct, install, operate, maintain, repair, or remove such facilities.

- F. Nothing in this Franchise excuses Franchisee of its obligation to comply with applicable codes, rules, regulations, and standards subject to verification by the City of such compliance.
- G. Nothing in this Franchise shall be construed to limit any taxing authority or other lawful authority to impose charges or fees, or to excuse Franchisee of any obligation to pay lawfully imposed charges or fees.
- H. Nothing in this Franchise grants authority to Franchisee to impair or damage any City property, Public Way, other ways or other property, whether publicly or privately owned.
- I. Nothing in this Franchise shall be construed to create a duty upon the City to be responsible for construction of facilities, or to modify public ways to accommodate Franchisee's facilities.
- J. Nothing in this Franchise grants authority to Franchisee to provide or offer a Cable System or Cable Services as those terms are defined in 47 U.S.C. § 522(6).
- K. Nothing in this Franchise shall be construed to create, expand, or extend any liability of the City to any third party user of Franchisee's facilities or to otherwise recognize or create third party beneficiaries to this Franchise.
- L. Nothing in this Franchise shall be construed to permit Franchisee to unlawfully enter or construct improvements upon the property or premises of another.
- M. Nothing in this Franchise authorizes Franchisee to enter or construct improvements on, in, under, over, across, or within any property or right-of-way of any third party without that third party's permission.
- N. Franchisee is authorized to place its Facilities in the Rights-of-Way only consistent with this Franchise, the Richland Zoning Code, the Comprehensive Plan, the Design and Construction Standards and the Richland Municipal Code (collectively the "Codes").
- O. The terms, conditions, and provisions of Title 28 RMC, as currently written or hereinafter modified, are incorporated herein by reference. All rights granted hereunder are subject to the terms, conditions, and requirements of Title 28 RMC unless this Franchise specifically provides to the contrary. In the event that a conflict exists between the terms of this Franchise and the terms of Title 28 RMC, the terms of this Franchise shall control.

Section 3. Term. Authorization granted under this Franchise shall be for a period of ten (10) years from the Effective Date of this Franchise. Each of the provisions of this Franchise shall become effective upon the Effective Date and shall remain in effect for ten (10) years thereafter.

Section 4. Location of Facilities.

- A. Franchisee must place its facilities underground, except as otherwise expressly provided herein. Franchisee shall not be required to place underground any portion of the Facility that must, for technological reasons, remain above-ground to operate. Franchisee shall not be permitted to erect poles, unless permitted by the City pursuant to Section 13.C and the Codes. Franchisee acknowledges and agrees that the City may, at any time in the future, require the relocation at Franchisee's expense if the existing poles on which Franchisee's Facilities are located are designated for removal or undergrounding project. This Franchise does not place an affirmative obligation on the City to allow the relocation of such Facilities on public property or in the Rights-of-Way, nor does it relieve Franchisee from any Code provision related to the siting of wireless facilities. If the City requires undergrounding of wirelines (either telecommunications or electrical) and allows Franchisee's Facilities to remain above ground, then Franchisee shall cooperate with the City and modify the affected Facilities to incorporate the placement of wireline services underground (and internal to the pole if the replacement pole is hollow, for example electrical and fiber), or otherwise consistent with a design plan agreed to by the City and Franchisee, at no cost to the City.
- B. Franchisee shall not remove any underground Facilities that require trenching or other opening of the Rights-of-Way, except as provided in this section. Franchisee may remove any underground Facilities from the Right-of-Way that have been installed in such a manner that it can be removed without trenching or any other opening of the Right-of-Way, or if otherwise permitted by the City. When the City determines, in the City's reasonable discretion, that Franchisee's underground Facilities must be removed in order to eliminate or prevent a hazardous condition, then Franchisee shall remove such Facilities at Franchisee's sole cost and expense. Franchisee must apply and receive a permit, pursuant to Section 12, prior to any such removal of underground Facilities from the Right-of-Way and must provide as-built plans and maps pursuant to Section 6.K.
- C. Franchisee's facilities shall not unreasonably interfere with the use of public ways or City property by the City, the general public, or other persons authorized to enter, occupy, or use public ways or City property. Whenever new facilities will exhaust the capacity of a Public Way to reasonably accommodate future users or facilities, the Franchisee shall provide nondiscriminatory access to its facilities to future users and facilities.
- D. Franchisee shall provide the City with information as requested by the City which accurately reflects the horizontal and vertical location and configuration of all of Franchisee's facilities. Franchisee shall provide the City with updated information annually, or upon request by the City.

- E. To the extent that any Rights-of-Way are part of the state highway system (“State Highways”), are considered managed access by the City, and are governed by the provisions of Chapter 47.24 RCW and applicable Washington State Department of Transportation (WSDOT) regulations, Franchisee shall comply fully with said requirements in addition to local ordinances and other applicable regulations. Without limitation of the foregoing, Franchisee specifically agrees that:
- (1) any pavement trenching, and restoration performed by Franchisee within State Highways shall meet or exceed applicable WSDOT requirements;
 - (2) any portion of a State Highway damaged or injured by Franchisee shall be restored, repaired and/or replaced by Franchisee to a condition that meets or exceeds applicable WSDOT requirements; and
 - (3) without prejudice to any right or privilege of the City, WSDOT is authorized to enforce, in an action brought in the name of the State of Washington, any condition of this Franchise with respect to any portion of a State Highway.
- F. Franchisee shall maintain all above ground improvements that it places on City Rights-of-Way pursuant to this Franchise. In order to avoid interference with the City’s ability to maintain the Rights-of-Way, Franchisee shall provide a clear zone in compliance with Design and Construction Standards. If Franchisee fails to comply with this provision, and by its failure property is damaged, then Franchisee shall be responsible for all damages caused thereby, including restoration.
- G. Franchisee must obtain written approval from the owners of utility poles, structures and property not owned by Franchisee prior to attaching to, or otherwise using, such poles, structures or property, and provide proof of such approval to the City in the permit application. In the case where the City owns the utility poles or structures, the Franchisee shall comply with Title 14 of the Richland Municipal Code as preparation for a specific project plan and permit submittal. The City makes no representation, and assumes no responsibility, for the availability of utility poles, structures, and property owned by third parties for the installation of Franchisee's facilities. The City shall not be liable for the unavailability of utility poles, structures, and property owned by the City or third parties for any reason whatsoever. The installation of Facilities by Franchisee on or in the poles, structures, or property owned by others shall be subject to and limited by the owner's authority to enter, occupy, and use public ways. In the event that the authority of the owner of poles, structures, or property to enter, occupy, and use the public ways either expires, terminates, or is cancelled, Franchisee may no longer be permitted to continue to use that specific pole, structure or property, unless expressly authorized by the City. The City shall not be liable for the costs for removal of Facilities arising from expiration, termination,

or cancellation of any pole owner's authority to enter, occupy, or use public ways for any reason whatsoever.

Section 5. Relocation.

- A. The City may require Franchisee, and Franchisee covenants and agrees, to protect, support, relocate, remove and/or temporarily disconnect its Facilities within the Right-of-Way when reasonably necessary for construction, alteration, repair, or improvement of the Right-of-Way for purposes of and for public welfare, health, or safety or traffic conditions, dedications of new Rights-of-Way and the establishment and improvement thereof, widening and improvement of existing Rights-of-Way, street vacations, freeway construction, change or establishment of street grade, and/or the construction of any public improvement or structure by any governmental agency acting in a governmental capacity or as otherwise necessary for the operations of the City or other governmental entity, provided that Franchisee shall have the privilege to temporarily bypass in the authorized portion of the same Rights-of-Way upon approval by the City, which approval shall not unreasonably be withheld or delayed, any Facilities required to be temporarily disconnected or removed. For the avoidance of doubt, such projects shall include any Right-of-Way improvement project, even if the project entails, in part, related work funded and/or performed by or for a third party, provided that such work is performed for the public benefit, but shall not include, without limitation, any other improvements or repairs undertaken primarily for the private benefit of third party private entities. Collectively all such projects described in this Section 5.A shall be considered a "Public Project." Except as otherwise provided by law, the costs and expenses associated with relocations or disconnections ordered pursuant to this Section 5.A shall be borne by Franchisee. Franchisee shall complete the relocation of its Facilities at no charge or expense to the City.
- B. If the request for relocation from the City originates due to a Public Project, in which structures or poles are either replaced or removed, then Franchisee shall relocate or remove its Facilities as required by the City, and at no cost to the City, subject to the procedure in Section 5.E. Franchisee acknowledges and agrees that the placement of Small Wireless Facilities on third party-owned structures does not convey an ownership interest in such structures. Franchisee acknowledges and agrees that, to the extent Franchisee's Small Wireless Facilities are on poles owned by third parties, the City shall not be responsible for any costs associated with requests arising out of a Public Project.
- C. The cost of relocation of any Franchisee-owned poles or structures shall be determined in accordance with the requirements of RCW 35.99.060(3)(b), provided, however, that Franchisee may opt to pay for the cost of relocating its Small Wireless Facilities in order to provide consideration for the City's approval to site a Small Wireless Facility on Franchisee-owned structures or poles in a portion of the Right-of-Way designated or proposed for a Public Project. For this Section 5.C, designation of the Right-of-Way for a Public Project shall be

undertaken in the City's Comprehensive Plan in accordance with the requirements of Chapter 36.70A RCW. The Comprehensive Plan includes, but is not limited to, the Transportation element or Transportation Improvement Plan (TIP), Capital Facilities element, Utilities element, and any other element authorized by RCW 36.70A.070 and RCW 36.70A.080. The parties acknowledge that this provision is mutually beneficial to the parties, as the City may otherwise deny the placement of the Facility at a particular site if the cost impact of such relocation is excessive and conflicts with the City's Comprehensive Plan.

- D. Upon request of the City (or of a third-party performing work in the Right-of-Way), and in order to facilitate the design of City street and Right-of-Way improvements, Franchisee agrees, at its sole cost and expense, to locate, and, if reasonably determined necessary by the City, to excavate and expose its Facilities for inspection so that the Facilities' location may be taken into account in the improvement design. The decision as to whether any Facilities need to be relocated in order to accommodate the Public Projects shall be made by the City upon review of the location and construction of Franchisee's Facilities. The City shall provide Franchisee at least fourteen (14) days' written notice prior to any excavation or exposure of Facilities.
- E. Notice and Relocation Process. If the City determines that the Public Project necessitates the relocation of Franchisee's existing Facilities, the City shall provide Franchisee in writing with a date by which the relocation shall be completed (the "Relocation Date") consistent with RCW 35.99.060(2). In calculating the Relocation Date, the City shall consult with Franchisee and consider the extent of Facilities to be relocated, the services requirements, and the construction sequence for the relocation (within the City's overall project construction sequence and constraints), to safely complete the relocation. Franchisee shall complete the relocation by the Relocation Date, unless the City or a reviewing court establishes a later date for completion, as described in RCW 35.99.060(2). To provide guidance on this notice process, the City will make reasonable efforts to engage in the following recommended process, absent an emergency posing a threat to public safety or welfare, or an emergency beyond the control of the City that will result in severe financial consequences to the City:
- (1) The City will consult with the Franchisee in the predesign phase of any Public Project in order to coordinate the project's design with Franchisee's Facilities within such project's area.
 - (2) Franchisee shall participate in predesign meetings until such time as (i) both parties mutually determine that Franchisee's Facilities will not be affected by the Public Project; or (ii) until the City provides Franchisee with written notice regarding the relocation as provided in subsection (4) below.
 - (3) Franchisee shall, during the predesign phase, evaluate and provide comments to the City related to any alternatives to possible relocations. The City will give any alternatives proposed by the Franchisee full and fair

consideration, but the final decision accepting or rejecting any specific alternative shall be within the City's sole discretion.

- (4) The City will provide Franchisee with its decision regarding the relocation of Franchisee's Facilities as soon as reasonably possible, endeavoring to provide no less than ninety (90) days prior to the commencement of the construction of such Public Project; provided, however that in the event that the provisions of a state or federal grant require a different notification period or process than that outlined in Section 5.E, the City will notify the Franchisee during the predesign meetings and the process mandated by the grant funding will control.
 - (5) After receipt of such written notice, Franchisee shall relocate such Facilities to accommodate the Public Project consistent with the timeline provided by the City, and at no charge or expense to the City. Such timeline may be extended by a mutual agreement.
 - (6) In the event of an emergency posing a threat to public safety or welfare, or in the event of an emergency beyond the control of the City which will result in severe financial consequences to the City, that necessitates the relocation of Franchisee's Facilities, Franchisee shall relocate its Facilities within the time period specified by the City.
- F. The provisions of this Section 5 shall in no manner preclude or restrict Franchisee from making any arrangements it may deem appropriate when responding to a request for relocation of its Facilities by any person or entity other than the City, where the facilities to be constructed by said person or entity are not or will not become City-owned, operated, or maintained facilities, provided that such arrangements do not unduly delay a City construction project.
- G. Franchisee shall be solely responsible for the actual costs incurred by the City for delays in a Public Project to the extent the delay is caused by or arises out of Franchisee's failure to comply with the final schedule for the relocation (other than as a result of a Force Majeure Event, or causes or conditions caused by the acts or omissions of the City or any third party unrelated to Franchisee). Franchisee vendors and contractors shall not be considered unrelated third parties). Such costs may include, but are not limited to, payment to the City's contractors and/or consultants for increased costs and associated court costs, interest, and attorney fees incurred by the City to the extent directly attributable to such Franchisee's cause of delay in the Public Project.
- H. Franchisee will indemnify, hold harmless, and pay the costs of defending the City (in accordance with the provisions of Section 14), against any and all claims, suits, actions, damages, or liabilities for delays on Public Projects only to the extent caused by, or arising out of, the failure of Franchisee to remove or relocate its Facilities as provided in this Section 5; provided, that Franchisee shall not be responsible for damages due to delays caused by circumstances beyond

the control of Franchisee or the sole negligence, willful misconduct, or unreasonable delay of the City or any unrelated third party.

- I. If Franchisee fails, neglects, or refuses to remove or relocate its Facilities as directed by the City following the procedures outlined in Section 5.A through Section 5.E, then upon at least ten (10) days written notice to Franchisee, the City may perform such work (including removal), or cause it to be done, and the City's costs shall be paid by Franchisee pursuant to Section 18, and the City shall not be responsible for any damage to the Facilities.
- J. The provisions of this Section 5 shall survive the expiration or termination of this Franchise during such time as Franchisee continues to have Facilities in the Rights-of-Way.

Section 6. Construction and Installation Requirements.

- A. Except as to emergency repairs, Franchisee shall, prior to excavating within any street, alley or other public place, or installing any conduit, overhead facilities or equipment therein, or relocating, constructing, or performing maintenance within the Rights-of-Way, file with the Public Works Director plans and specifications thereof showing the work to be done, the location and nature of the installation to be made, repaired or maintained, as well as a schedule showing the times of beginning and completion and shall secure a permit from the City before proceeding with any such work. The Franchisee shall comply with the permit requirements and conform to all requirements of Chapter 12.08 RMC regarding right of way construction, as it currently exists or as it may be amended.
- B. The technical performance of the Facilities must meet or exceed all applicable technical standards authorized or required by law, regardless of the transmission technology utilized. The City has the full authority permitted by applicable law to enforce compliance with these technical standards.
- C. All installations of Facilities will be durable, and installed in accordance with good engineering, construction, and installation practices.
- D. All Facilities shall be constructed and installed in such a manner and at such points so as not to inconvenience public use of the public ways (or to adversely affect the public health, safety or welfare) and in conformity with plans approved by the City, except in instances in which deviation is requested in writing by the Franchisee, and approved by the City.
- E. The construction plans shall conform to all federal, state, local, and industry codes, rules, regulations, and standards. Franchisee must cease work immediately if the City determines that Franchisee is not in compliance with such codes, rules, regulations, or standards, and may not begin or resume work until the City determines that Franchisee is in compliance. The City shall not be liable for any costs arising out of delays occurring as a result of such work stoppage.

- F. Neither approval of plans by the City nor any action or inaction by the City shall relieve Franchisee of any duty, obligation, or responsibility for the competent design, construction, and installation of its facilities. Franchisee is solely responsible for the supervision, condition, and quality of the work done, whether it is performed by itself or by its contractors, agents, or assigns.
- G. In the event of an emergency requiring immediate action by Franchisee for the protection of the Facilities, City's property or other persons or property, Franchisee may proceed without first obtaining the normally required permits. In such event, Franchisee must: (1) take all necessary and prudent steps to protect, support, and keep safe from harm the Facilities, or any part thereof; City's property; or other persons or property, and to protect the public health and safety; and (2) as soon as possible thereafter, must obtain the required permits and comply with any mitigation requirements or other conditions in the after-the-fact permit.
- H. The City retains the right and privilege to cut, move, or remove any Facilities located within the Rights-of-Way of the City, as the City may determine to be necessary, appropriate, or useful in response to any public health or safety emergency. The City shall not be liable to Franchisee for any direct, indirect, or any other such damages suffered by any person or entity of any type as a direct or indirect result of the City's actions under this subsection, except to the extent caused by the sole negligence, intentional misconduct, or criminal actions of the City, its employees, contractors, or agents.
- I. Unless such condition or regulation is in conflict with a federal or state requirement, the City may condition the granting of any permit or other approval that is required under this Franchise, in any manner reasonably necessary for the safe use and management of the public right-of-way or the City's property, including, by way of example and not limitation, maintaining proper distance from other utilities, protecting the continuity of pedestrian and vehicular traffic, and protecting rights-of-way improvements, private facilities and public safety.
- J. Whenever necessary, after construction or maintaining any of Franchisee's Facilities within the rights-of-way, the Franchisee shall, without delay, and at Franchisee's sole expense, remove all debris and restore the surface disturbed by Franchisee as nearly as possible to as good or better condition as it was in before the work began, reasonable wear and tear excepted. Franchisee shall replace any property corner monuments, survey reference, or hubs that were disturbed or destroyed during Franchisee's work in the rights-of-way. Such restoration shall be done in a manner consistent with applicable codes and laws, and to the City's satisfaction, and, where applicable, to City specifications.
- K. Following any construction, excluding modifications that meet the same or substantially similar dimensions of the Small Wireless Facility, Franchisee shall provide the City with accurate copies of as-built plans and maps prepared by Franchisee's design and installation contractors for all existing Small Cell

Facilities in the Franchise Area. These plans and maps shall be provided at no cost to the City and shall include hard copies and digital files in Autocad or other industry standard readable formats that are acceptable to the City and delivered electronically. Further, Franchisee shall provide such maps within thirty (30) days following a request from the City. Franchisee shall warrant the accuracy of all plans, maps, and as-builts provided to the City. Franchisee shall be solely and completely responsible for workplace safety and safe working practices on its job sites within the Franchise Area, including safety of all persons and property during the performance of any work.

- L. Franchisee shall, at all times, keep up-to-date maps and records showing the location and sizes of all Franchisee's facilities installed by it in the Franchise Area. Franchisee shall provide, at the City's request, a copy of facilities maps for the City's use. All books, records, maps, and other documents maintained by Franchisee, with respect to its facilities within the Rights-of-Way, shall be made available for inspection by the City at reasonable times and intervals; provided, however, that nothing in this Section shall be construed to require Franchisee to violate state or federal law regarding customer privacy, nor shall this Section be construed to require Franchisee to disclose proprietary or confidential information without adequate safeguards for its confidential or proprietary nature.
- M. All Franchisee's underground Facilities shall be placed in accordance with current City regulations and project permit requirements. Unless otherwise approved by the Public Works Director, underground Facilities must maintain (parallel) five (5) feet separation from City water and sewer mains. Franchisee shall restore the Public Way to pre-construction condition or better. Franchisee agrees to pay all costs and expenditures required on Rights-of-Way as a result of settling, subsidence, or any other need for repairs or maintenance resulting from excavations made by Franchisee for a period of five (5) years after the excavation. Favorable weather conditions permitting, Franchisee agrees to repair Rights-of-Way as a result of settling, subsidence, or other needed repairs or maintenance resulting from excavations made by the Franchisee within the prior five (5) years upon forty-eight (48) hours' notice excluding weekends and holidays. If Franchisee fails to undertake such repairs as herein provided, the City may perform the repairs at Franchisee's expense.
- N. The City reserves the right to limit or exclude Franchisee's access to a specific route, public Right-of-Way or other location when, in the judgment of the Public Works Director, there is inadequate space (including, but not limited to, compliance with ADA clearance requirements and maintaining a clear and safe passage through the Rights-of-Way), a generally applicable pavement cutting moratorium, unnecessary damage to public property, public expense, inconvenience, interference with City utilities, or for any other reason determined by the Public Works Director.
- O. Franchisee may trim trees which are upon and/or overhang on public ways, and other public places of the City so as to prevent the branches of such trees from

coming in contact with Franchisee's Facilities. The right to trim trees in this way shall only apply to the extent necessary to protect above ground Facilities. Franchisee shall ensure that its tree trimming activities protect the appearance, integrity, and health of the trees to the extent reasonably possible. Franchisee shall be responsible for removal of all debris resulting from such activities. All trimming, except in emergency situations, is to be done after the explicit prior written notification and approval of the City and at the expense of Franchisee. Franchisee may contract for such services. However, any firm or individual so retained must first receive City permit approval prior to commencing such trimming. Nothing herein grants Franchisee any authority to act on behalf of the City, to enter upon any private property, or to trim any tree or natural growth encroaching into the Public Rights-of-Way. Franchisee shall be solely responsible and liable for any damage to any third parties' trees or natural growth caused by Franchisee's actions. Franchisee shall indemnify, defend and hold harmless the City from third-party claims (of any nature) arising out of any act or negligence of Franchisee with regard to tree and/or natural growth trimming, damage, and/or removal. Franchisee shall reasonably compensate the City or the property owner for any damage caused by trimming, damage, or removal by Franchisee. Except in an emergency situation, all tree trimming must be performed under the direction of an arborist certified by the International Society of Arboriculture, and in a manner consistent with the most recent issue of "Standards of Pruning for Certified Arborists" as developed by the International Society of Arboriculture or its industry accepted equivalent (ANSI A300), unless otherwise approved by the Public Works Director or his/her designee.

Section 7. Coordination of Construction and Installation Activities and Other Work.

- A. Franchisee shall coordinate its construction and installation activities and other work with the City and other users of the Public Ways at least annually or as determined by the City.
- B. All construction or installation locations, activities and schedules shall be coordinated, as ordered by the City, to minimize public inconvenience, disruption or damages.
- C. If required by permit, at least twenty four (24) hours prior to entering a Public Way to perform construction and installation activities or other work, Franchisee shall give notice, at its cost, to owners and occupiers of properties adjacent to such Public Ways indicating the nature and location of the work to be performed. Such notice shall be physically posted by door hanger, or by other form of notice reasonably acceptable to City. Franchisee shall make a good faith effort to comply with the property owner or occupier's preferences, if any, on location or placement of underground facilities, consistent with sound engineering practices.
- D. Franchisee shall make available, and accept, the co-location of property of others within trenches excavated or used by Franchisee in the public ways, provided the

costs of the work are fairly allocated between the parties and such co-location does not materially or harmfully interfere with Franchisee's use.

- E. By February 1 of each year, Franchisee shall provide the City with a schedule of its proposed construction or installation activities and other work in, around, or that may affect the public ways or City property, to the extent that such information is available or known to Franchisee.
- F. The City shall give reasonable advance notice to Franchisee of plans to open public ways for construction or installation of facilities; provided, however, the City shall not be liable for damages for failure to provide such notice. When such notice has been given, Franchisee shall provide information requested by the City regarding Franchisee's future plans for use of the Public Way to be opened. When notice has been given, Franchisee may only construct or install facilities during such period that the City has opened the Public Way for construction or installation.

Section 8. Temporary Removal, Adjustment or Alteration of Facilities.

- A. Upon thirty (30) days' notice, Franchisee shall temporarily remove, adjust, turn off, or alter the position of its Facilities (at its cost), at the request of the City for public projects, events, or other public operations or purposes. City shall provide notice to Franchisee immediately upon completion of the public project, event, or other public purpose so that Franchisee may return its Facilities to the original location.
- B. Prior to doing any work in the Rights-of-Way, Franchisee shall follow established procedures, including contacting the Utility Notification Center in Washington if applicable and complying with all applicable State statutes regarding the One Call Locator Service pursuant to Chapter 19.122 RCW. Further, upon request, by the City or a third party, Franchisee shall locate the horizontal and vertical location of its underground facilities by excavating its Facilities consistent with the requirements of Chapter 19.122 RCW and shall complete this service within fourteen (14) days from the date of the City or third party's request, at no cost to the City. If the City's request is in support of a third party's project, Franchisee shall be entitled to recover its cost from the project sponsor. The City shall not be liable for any damages to Franchisee's Facilities, or for interruptions in service to Franchisee's customers, that are a direct result of Franchisee's failure to locate its Facilities within the prescribed time limits and guidelines established by the One Call Locator Service regardless of whether or not the City issued a permit.
- C. If any person requests permission from the City to use a Public Way for the moving or removal of any building or other object, the City shall, prior to granting such permission, require such person or entity to make any necessary arrangements with Franchisee for the temporary removal, adjustment or alteration of Franchisee's facilities to accommodate the moving or removal of said building or other object. In such event, Franchisee shall, at the cost of the

person desiring to move or remove such building or other object, remove, adjust or alter the position of its facilities which may obstruct the moving or removal of such building or other object, provided that:

- (1) The moving or removal of such building or other object which necessitates the temporary removal, adjustment or alteration of facilities shall be done at a reasonable time and in a reasonable manner so as to not unreasonably interfere with Franchisee's business, consistent with the maintenance of proper service to Franchisee's customers;
 - (2) Where more than one route is available for the moving or removal of such building or other object, such building or other object shall be moved or removed along the route which causes the least interference with the operations of Franchisee, as determined in the sole discretion of the City;
 - (3) The person obtaining such permission from the City to move or remove such building or other object may be required to indemnify and hold Franchisee harmless from any and all claims and demands made against it on account of injury or damage to the person or property of another arising out of, or in conjunction with, the moving or removal of such building or other object, to the extent such injury or damage is caused by the negligence of the person moving or removing such building or other object or the negligence of the agents, servants or employees of the person moving or removing such building or other object; and
 - (4) Completion of notification requirements by a person who has obtained permission from the City to use a Public Way for the moving or removal of any building or other object shall be deemed to be notification by the City.
- D. The City may require Franchisee to temporarily remove, adjust or alter the position of Franchisee's facilities as the City may determine to be necessary, appropriate or useful in response to any public health or safety emergency. The City shall not be liable to Franchisee or any other party for any direct, indirect, or other damages suffered as a direct or indirect result of the City's actions.
- E. The temporary removal, adjustment or alteration of the position of Franchisee's facilities shall not be considered relocation for any purpose whatsoever.

Section 9. Safety and Maintenance Requirements.

- A. All work authorized and required under this Franchise will be performed in a safe, thorough, and workmanlike manner, so as to minimize interference with the free passage of traffic, and the free use of adjoining property, whether public or private.
- B. Franchisee, in accordance with applicable federal, state, and local safety requirements, shall at all times employ ordinary care and shall use commonly accepted methods and devices for preventing failures and accidents which are

likely to cause damage, injury, or nuisance to occur. All facilities, wherever situated or located, shall at all times be kept in a good, safe, and suitable condition. If a violation of a safety code or other applicable regulation is found to exist by the City, the City may, after discussions with Franchisee, establish a reasonable time for Franchisee to make necessary repairs. If the repairs are not made within the established time frame, the City may make the repairs itself at the cost of the Franchisee, or have them made at the cost of Franchisee.

- C. If required by the permit, Franchisee, and any person acting on its behalf, shall provide a traffic control plan that conforms to the latest edition of the Manual of Uniform Traffic Control Devices (MUTCD). Said plan shall use suitable barricades, flags, flagmen, lights, flares, and other measures as required for the safety of all members of the general public during the performance of work, of any kind whatsoever, in public ways to prevent injury or damage to any person, vehicle, or property. Franchisee shall implement and comply with its approved traffic control plan during execution of its work.
- D. Franchisee shall maintain its Facilities in proper working order. Franchisee shall restore its Facilities to proper working order within thirty (30) days after receipt of notice from the City that Facilities are not in proper working order, or such longer period of time as approved by City and Franchisee. Notwithstanding the above, if the City determines that that the Facilities are a public safety concern (e.g., the equipment box is detached), then Franchisee shall repair such Facility immediately, but no less than forty-eight (48) hours after notice, unless such time period is extended by the City.
- E. Franchisee shall endeavor to maintain all equipment lines and Facilities in an orderly manner, including, but not limited to, the removal of all bundles or extraneous wires used for the connection of aerial facilities (e.g., connecting equipment boxes to antennas). All installation of facilities shall be installed in accordance with industry-standard engineering practices, and shall comply with all federal, state, and local regulations, ordinances, and laws.
- F. Any opening or obstruction in the Rights-of-Way or other public places made by Franchisee in the course of its operations shall be protected by Franchisee at all times by the placement of adequate barriers, fences, or boarding, the bounds of which, during periods of dusk and darkness, shall be clearly marked and visible.

Section 10. Removal of Unauthorized Facilities.

- A. Any Small Wireless Facilities installations in the Right-of-Way that were not authorized under this Franchise (“Unauthorized Facilities”) will be subject to the payment of an Unauthorized Facilities charge by Franchisee. The City shall provide written notice to Franchisee of any Unauthorized Facilities identified by City staff and Franchisee shall either: (i) establish that the site was authorized; or (ii) submit a complete application to the City for approval of the Unauthorized Facilities. Upon notice of the Unauthorized Facility, Franchisee shall be charged

an amount of Five Hundred and 00/100 Dollars (\$500.00) per day per Unauthorized Facility (“Unauthorized Facility Fee”). The Unauthorized Facility Fee shall be waived in its entirety if Franchisee can establish that the site was in fact authorized. The Unauthorized Facility Fee shall be suspended upon the submission of a complete application to the City requesting approval of the Unauthorized Facility. If the application for such Unauthorized Facilities is denied as the final decision, then the Unauthorized Facility Fee will resume until the Unauthorized Facilities are removed. In which case, Franchisee shall remove the Unauthorized Facilities from the City’s Right-of-Way within thirty (30) days after the expiration of all appeal periods for such denial. Upon the conclusion of any matter involving an Unauthorized Facility, City shall provide Franchisee an invoice detailing the total amount of the Unauthorized Facility Fee, if any, which penalty Franchisee shall pay within thirty (30) days after receipt of notice thereof. This Franchisee remedy is in addition to any other remedy available to the City at law or equity. Notwithstanding the foregoing, an Unauthorized Facility Fee pursuant to this Franchise shall not be assessed if Franchisee received City Approval for the Small Wireless Facilities but such Small Wireless Facilities are technically inconsistent with the City Approval; provided, however, Franchisee is still required to fix any inconsistencies with the permit requirements and that this provision does not restrict the City’s other enforcement rights.

- B. Where any Facilities or portions of Facilities are no longer needed, and their use is to be discontinued, the Franchisee shall immediately report such Facilities in writing (“Deactivated Facilities”) to the Public Works Director. This notification is in addition to the inventory revisions addressed in Section 13.F. Deactivated Facilities, or portions thereof, shall be completely removed within ninety (90) days and the site, pole or infrastructure restored to its pre-existing condition.
- C. If Franchisee leases a structure from a third party and such third party later abandons the structure, Franchisee shall remove its Facilities from the abandoned structure within the timeline provided by the third party, but not more than ninety (90) days after such notification from the third party, at no cost to the City, and shall remove the pole if so required by the third party. Notwithstanding the preceding sentence, the timelines determined by the City for relocation projects described in Section 5 above shall apply.
- D. Upon the expiration, termination, or revocation of the rights granted under this Franchise, Franchisee shall remove all of its Facilities from the Rights-of-Way within ninety (90) days of receiving written notice from the Public Works Director or his/her designee. The Facilities, in whole or in part, may not be abandoned by Franchisee without written approval by the City. Any plan for abandonment or removal of Franchisee’s Facilities must be first approved by the Public Works Director or his/her designee, and all necessary permits must be obtained prior to such work. Franchisee shall restore the Rights-of-Way to at least the same condition the Rights-of-Way were in immediately prior to any such installation, construction, relocation, maintenance or repair, provided Franchisee shall not be responsible for any changes to the Rights-of-Way not caused by Franchisee or

any person doing work for Franchisee. Franchisee shall be solely responsible for all costs associated with removing its Facilities.

- E. The City may permit Franchisee's Facilities to be abandoned in place, in such a manner as the City may prescribe. Upon permanent abandonment, and Franchisee's agreement to transfer ownership of the Facilities to the City, Franchisee shall submit to the City a proposal and instruments for transferring ownership to the City.
- F. Any Facilities which are not removed within one hundred and eighty (180) days of either: (i) the date of termination or revocation of this Franchise; or (ii) the date the City issued a permit authorizing removal, whichever is later, shall automatically become the property of the City. Any costs incurred by the City in safeguarding such Facilities or removing the Facilities shall be reimbursed by Franchisee. Nothing contained within this Section 10 shall prevent the City from compelling Franchisee to remove any such Facilities through judicial action when the City has not permitted Franchisee to abandon said Facilities in place.
- G. The provisions of this Section 10 shall survive the expiration, revocation, or termination of this Franchise and for so long as Franchisee has Facilities in Rights-of-Way.

Section 11. Restoration of Public Ways and Other Property.

- A. When Franchisee, or any person acting on its behalf, does any work in or affecting any Public Way or other property, it shall, at its own expense, promptly remove any obstructions therefrom and restore, at Franchisee's cost, such ways and property to as good a condition as existed before the work was undertaken, unless otherwise directed by the City.
- B. If weather or other conditions do not permit the complete restoration required by this section, the Franchisee shall temporarily restore the affected ways or property. Such temporary restoration shall be at the Franchisee's cost, and Franchisee shall promptly undertake and complete the required permanent restoration when the weather or other conditions no longer prevent such permanent restoration.
- C. All restoration work is subject to inspection and final approval by the City. If restoration is not made to the satisfaction of the City within the established timeframe, the City shall outline the issues that must be corrected by Franchisee. Franchisee shall then have seven (7) days to correct such issues, unless such period is otherwise extended by the City. If the issues are not resolved within that timeframe, the City may make the restoration itself at the cost of Franchisee, or have such restoration made at the cost of Franchisee.
- D. The provisions of this Section 11 shall survive the expiration, revocation, or termination of this Franchise and for so long as Franchisee has Facilities in Rights-of-Way.

Section 12. Use and/or Development Authorization and Permits. Franchisee shall obtain use, right-of-way construction, and/or development authorization and required permits from the City and all other appropriate regulatory authorities prior to constructing or installing facilities or performing other work in a Public Way.

- A. In addition to any permitting requirements of the City specific to Small Wireless Facilities found in Title 28 RMC and Chapter 23.62 RMC, the Franchisee must provide the information described in Section 12.B below.
- B. Franchisee shall provide the following information for all facilities that it proposes to construct or install:
 - (1) Engineering plans, specifications and a network map of the proposed facilities and their relation to existing facilities, in a format and media requested by the City in sufficient detail to identify:
 - a. The location and route of the proposed facilities;
 - b. When requested by the City, the location of all overhead and underground public utility, telecommunication, cable, water, sewer, drainage and other facilities in the Public Way along the proposed route;
 - c. When requested by the City, the location(s), if any, for interconnection with the telecommunication facilities of others;
 - d. The specific trees, structures, improvements, facilities and obstructions, if any, that Franchisee proposes to temporarily or permanently alter, remove or relocate.
 - (2) If Franchisee is proposing to install overhead facilities, evidence of Franchisee's authorization to use each utility pole along the proposed route together with any conditions of use imposed by the pole owner(s) for each pole. If the overhead facilities are subsequently relocated underground, Franchisee shall relocate its Facilities consistent with the requirements of this Franchise. If Franchisee proposes to install overhead facilities on City-owned poles or structures, the Franchisee shall comply with all applicable provisions of Title 14 of the Richland Municipal Code.
 - (3) If Franchisee is proposing to install underground facilities in existing ducts or conduits within the public ways, information in sufficient detail to identify:
 - a. Evidence of ownership or authorization to use such ducts or conduits;
 - b. Conditions of use imposed by the owner(s) of the ducts or conduits;
 - c. If known to Franchisee, or reasonably ascertainable to Franchisee, the total capacity of such ducts or conduits; and
 - d. If known to Franchisee, or reasonably ascertainable to Franchisee, amount of the total capacity within such ducts or conduits which will be occupied by Franchisee's facilities.

- (4) If Franchisee is proposing to install underground facilities in new ducts or conduits within the public ways:
 - a. The location proposed for new ducts or conduits;
 - b. The total capacity of such ducts or conduits; and
 - c. The initial listing of any collocated facilities located within Franchisee constructed or installed ducts or conduits.
 - (5) A preliminary construction schedule and completion date together with a traffic control plan in compliance with the Manual on Uniform Traffic Control Devices (MUTCD) for any construction.
 - (6) Information to establish that the applicant has obtained all other governmental approvals and permits to construct and operate the facilities.
 - (7) Such other documentation and information regarding the facilities requested by the City.
- C. Franchisee shall not be granted development authorization, or issued permits for construction or installation of new Facilities, unless Franchisee is in full compliance with the provisions of this Franchise, and all of Franchisee's existing Facilities have been permitted.

Section 13. Small Wireless Facilities.

- A. **City Retains Approval Authority.** The City shall have the authority at all times to control by appropriately exercised police powers (through ordinance or regulation consistent with 47 U.S.C. § 253, 47 U.S.C. § 332(c)(7), and the laws of the State of Washington), the location, elevation, manner of construction, and maintenance of any Small Wireless Facilities by Franchisee, and Franchisee shall promptly conform with all such requirements, unless compliance would cause Franchisee to violate other requirements of law. This Franchise does not prohibit the City from exercising its rights under federal, state or local law to deny or give conditional approval to an application for a permit to construct any individual Small Wireless Facility.
- B. **City Approvals and Permits.** The granting of this Franchise is not a substitute for any other City required approvals to construct Franchisee's Facilities in the Rights-of-Way ("City Approvals"). The parties agree that such City Approvals (except Right-of-Way use permits as described in Section 12) are not considered use permits, as that term is defined in RCW 35.99.010. These City Approvals do not grant general authorization to enter and utilize the Rights-of-Way but rather grant Franchisee permission to build its specific Small Wireless Facilities. Therefore, City Approvals are not subject to the thirty (30) day issuance requirement described in RCW 35.99.030. The parties recognize that this provision is specifically negotiated as consideration for designating the entire City as the Franchise Area. Such City Approvals shall be issued consistent with the

Codes, and with state and federal laws governing wireless communication facility siting and may be in addition to any permits required under Section 12. This Section does not affect the thirty (30) day issuance requirement described in RCW 35.99.030 required for use permits such as Right-of-Way use permits and traffic control permits.

C. Preference for Existing Infrastructure; Site Specific Agreements.

- (1) Franchisee shall utilize existing infrastructure in the City whenever possible and consistent with the design, concealment and siting regulations of the Codes. The erection of new poles or structures in the Right-of-Way may only be permitted if no other alternative space feasible for the installation of the Facility is available. In the event that existing infrastructure is not available or feasible for a Small Wireless Facility, or if the City prefers new poles or infrastructure in a particular area of the City, then Franchisee may request the placement of new or replacement structures in the Rights-of-Way consistent with the requirements of the Codes.
- (2) Franchisee acknowledges and agrees that if Franchisee requests to place new structures or replacement structures that are higher than the replaced structure, and the overall height of the replacement structure and the Facility is over 60 feet in the Rights-of-Way, then Franchisee may be required to enter into a site-specific agreement consistent with RCW 35.21.860 in order to construct such Facilities in the Right-of-Way. Such agreements may require a site-specific charge paid to the City. The approval of a site-specific agreement is separate from this Franchise and must be approved and executed by the City Manager or designee.
- (3) Unless otherwise required by the Codes, replacement poles or structures which remain substantially similar to existing structures (or deviate in height or design as permitted within the Codes) are permissible, provided that Franchisee, or the pole owner at the Franchisee's request, removes the old pole or structure promptly, but no more than ninety (90) days after the installation of the replacement pole or structure.
- (4) This Section 13.C does not place an affirmative obligation on the City to allow the placement of new infrastructure on public property or in the Rights-of-Way, nor does it relieve Franchisee from any Code provision related to the siting or design of Small Wireless Facilities.

D. Concealment. Franchisee shall construct its Facilities consistent with the concealment or stealth requirements as described in the Codes, as the same exist or are hereafter amended, or in the applicable permit(s), lease, site specific agreement, or license agreement, in order to minimize the visual impact of such Facilities.

- E. Eligible Facilities Requests. The Parties agree that the intent of this Franchise is to provide general authorization to use the Rights-of-Way for Small Wireless Facilities. When considering whether a proposed modification is a substantial change under Section 6409(a) of the Spectrum Act, 47 U.S.C. §1455(a), the parties acknowledge that the designs as illustrated in a Small Wireless Facility permit are intended to maintain the appearance of a light or utility pole.
- F. Inventory. Franchisee shall maintain a current inventory of Small Wireless Facilities throughout the Term of this Franchise. Franchisee shall provide to the City a copy of the inventory report no later than thirty (30) days after request by the City. The inventory report shall include GIS coordinates, date of installation, type of pole used for installation, description/type of installation for each Small Wireless Facility installation, and photographs taken before and after the installation of the Small Wireless Facility, as well as photos taken from the public street. Small Wireless Facilities that are considered Deactivated Facilities, shall be included in the inventory report and Franchisee shall provide the same information as is provided for active installations, as well as the date the Facilities were deactivated and the date the Deactivated Facilities were removed from the Right-of-Way. The City shall compare the inventory report to its records to identify any discrepancies, and the parties will work together in good faith to resolve any discrepancies. Franchisee is not required to report on future inventory reports any Deactivated Facilities that were removed from the Right-of-Way since the last reported inventory, and may thereafter omit reference to the Deactivated Facilities.
- G. Graffiti Abatement. As soon as practical, but not later than thirty (30) days from the date Franchisee receives notice or is otherwise aware, Franchisee shall remove all graffiti on any of its Small Wireless Facilities of which it is the owner of the pole or structure, or on the Small Wireless Facilities themselves attached to a third-party pole (i.e., graffiti on the shrouding protecting the radios). The foregoing shall not relieve Franchisee from complying with any City graffiti or visual blight ordinance or regulation.
- H. Emissions Reports.
- (1) Franchisee is obligated to comply with all applicable laws relating to allowable presence of or human exposure to Radiofrequency Radiation ("RFs") or Electromagnetic Fields ("EMFs") on or off any poles or structures in the Rights-of-Way, including all applicable FCC standards. Franchisee shall comply with the RF emissions certification requirements under applicable Law.
 - (2) Nothing in this Franchise prohibits the City from requiring periodic testing of Franchisee's Facilities, which the City may request on no more than five (5) Facilities per year, and no more than once per year, unless an issue with the RF emissions is found, or as otherwise required by a permit due to a modification of the Facility. The City may inspect any of Franchisee's

Facilities and equipment located in the Rights-of-Way. If the City discovers that the emissions from a Facility exceeds the FCC standards, then the City may order Franchisee to immediately turn off the Facility, or portion thereof committing the violation, until the emissions exposure is remedied. Such order shall be made orally by calling (800) 832-6662 and also by written notice pursuant to Section 26. Franchisee is required to promptly turn off that portion of the Facility that is in violation no later than forty-eight (48) hours after receipt of oral notice. Franchisee shall reimburse the City for any costs incurred by the City for inspecting the Facility and providing notice as described in Section 18.

- I. Interference with Public Facilities. Franchisee's Small Wireless Facilities shall not physically interfere or cause harmful interference, as defined in 47 CFR 15.3(m), with any City operations (including, but not limited to, traffic lights, public safety radio systems, or other City communications infrastructure), or with the emergency communications operation or equipment. If the Small Wireless Facilities cause such harmful interference, Franchisee shall respond to the City's request to address the source of the interference as soon as practicable, but in no event later than forty-eight (48) hours after receipt of notice. The City may require, by written notice, that Franchisee power down the specific Small Wireless Facilities, or portion thereof, causing such interference if such interference is not remedied within forty-eight (48) hours after notice. If, within thirty (30) days after receipt of such written notice from the City of such interference, Franchisee has not abated such interference in a manner that is consistent with federal guidelines, such Small Wireless Facility may be deemed an Unauthorized Facility and subject to the provisions of Section 13.I or removal by the City consistent with Section 6.H. The Small Wireless Facility, or interfering portion thereof, must remain powered down (except for testing purposes) during the abatement period; otherwise the City may take more immediate action consistent with Section 6.H to protect the public health, safety, and welfare.
- J. Interference with Other Facilities. Franchisee is solely responsible for determining whether its Small Wireless Facilities interfere with telecommunications facilities of other utilities and franchisees within the Rights-of-Way. Franchisee shall comply with the rules and regulations of the Federal Communications Commission regarding radio frequency interference when siting its Small Wireless Facilities within the Franchise Area. Franchisee, in the performance and exercise of its rights and obligations under this Franchise shall not physically or technically interfere in any manner with the existence and operation of any and all existing utilities, sanitary sewers, water mains, storm drains, gas mains, poles, aerial and underground electrical and telephone wires, electroliers, cable television, and other telecommunications, utility, or municipal property, without the express written approval of the owner or owners of the affected property or properties, except as expressly permitted by applicable law or this Franchise.

Section 14. Hold Harmless and Assumption of Risk.

- A. Franchisee releases, covenants not to bring suit against, and agrees to indemnify, defend, and hold harmless the City, its officers, officials (elected or appointed) employees, agents and representatives from any and all claims, costs, judgments, awards, or liability to any person, for injury or death of any person, or damage to property to the extent caused by or arising out of any acts or omissions of Franchisee, its agents, servants, officers, or employees in the performance of this Franchise and any rights granted within this Franchise. This indemnification obligation shall extend to claims that are not reduced to a suit and any claims that may be compromised, with Franchisee's prior written consent, prior to the culmination of any litigation or the institution of any litigation.
- B. Inspection or acceptance by the City of any work performed by Franchisee at the time of completion of construction shall not be grounds for avoidance by Franchisee of any of its obligations under this Section 14.
- C. The City shall promptly notify Franchisee of any claim or suit and request in writing that Franchisee indemnify the City. Franchisee may choose counsel to defend the City subject to this Section 14.C. City's failure to so notify and request indemnification shall not relieve Franchisee of any liability that Franchisee might have, except to the extent that such failure prejudices Franchisee's ability to defend such claim or suit. In the event that Franchisee refuses the tender of defense in any suit or any claim, as required pursuant to the indemnification provisions within this Franchise, and said refusal is subsequently determined by a court having jurisdiction (or such other tribunal that the parties shall agree to decide the matter) to have been a wrongful refusal on the part of Franchisee, Franchisee shall pay all of the City's reasonable costs for defense of the action, including all expert witness fees, costs, and attorney's fees, also including costs and fees incurred in recovering under this indemnification provision. If separate representation to fully protect the interests of both parties is necessary, such as a conflict of interest between the City and the counsel selected by Franchisee to represent the City, then upon the prior written approval and consent of Franchisee, which shall not be unreasonably withheld, the City shall have the right to employ separate counsel in any action or proceeding, as mutually agreed by City and Franchisee, and to participate in the investigation and defense thereof, and Franchisee shall pay the reasonable fees and expenses of such separate counsel, except that Franchisee shall not be required to pay the fees and expenses of separate counsel on behalf of the City for the City to bring or pursue any counterclaims or interpleader action, equitable relief, restraining order or injunction. The City's fees and expenses shall include all out-of-pocket expenses, such as consultants and expert witness fees, and shall also include the reasonable value of any services rendered by the counsel retained by the City, but shall not include outside attorneys' fees for services that are unnecessarily duplicative of services provided the City by Franchisee. Each party agrees to cooperate, and to cause its employees and agents to cooperate, with

the other party in the defense of any such claim and the relevant records of each party shall be available to the other party with respect to any such defense.

- D. Except to the extent that damage or injury arises from the sole negligence or willful misconduct of the City, its officers, officials (elected or appointed), employees, or agents, the obligations of Franchisee under the indemnification provisions of this Section 14, and any other indemnification provision herein shall apply regardless of whether liability for damages arising out of bodily injury to persons or damages to property were caused or contributed to by the concurrent negligence of the City, its officers, officials, employees or agents and the Franchisee. Notwithstanding the proceeding sentence, to the extent the provisions of RCW 4.24.115 are applicable, the parties agree that the indemnity provisions hereunder shall be deemed amended to conform to said statute and liability shall be allocated as provided therein. It is further specifically and expressly understood that the indemnification provided constitutes Franchisee's waiver of immunity under Title 51 RCW, solely for the purposes of this indemnification, relating solely to indemnity claims made by the City directly against the Franchisee for claims made against the City by Franchisee's employees. This waiver has been mutually negotiated by the parties.
- E. Notwithstanding any other provisions of this Section 14, Franchisee assumes the risk of damage to its Facilities located in the Rights-of-Way and upon City-owned property from activities conducted by the City, its officers, agents, employees, elected and appointed officials, and contractors, except to the extent any such damage or destruction is caused by or arises from any solely negligent, willful misconduct, or criminal actions on the part of the City, its officers, agents, employees, elected or appointed officials, or contractors. In no event shall either party be liable for any indirect, incidental, special, consequential, exemplary, or punitive damages, including by way of example and not limitation lost profits, lost revenue, loss of goodwill, or loss of business opportunity in connection with its performance or failure to perform under this Franchise. Franchisee releases and waives any and all such claims against the City, its officers, agents, employees, volunteers, or elected or appointed officials, or contractors. Franchisee further agrees to indemnify, hold harmless, and defend the City against any third party claims for damages, including, but not limited to, business interruption damages, lost profits and consequential damages, brought by users of Franchisee's Facilities as the result of any interruption of service due to damage or destruction of Franchisee's Facilities caused by or arising out of activities conducted by the City, its officers, officials (elected or appointed), agents, employees, or contractors.
- F. The provisions of this Section 14 shall survive the expiration, revocation, or termination of this Franchise.

Section 15. Insurance.

- A. Franchisee shall procure and maintain for so long as Franchisee has Facilities in the Rights-of-Way, insurance against claims for injuries to persons or damages to property which may arise from or in connection with the acts or omissions of Franchisee. Franchisee shall endeavor to require that every subcontractor maintain substantially the same insurance coverage with substantially the same policy limits as required of Franchisee. Franchisee shall procure insurance from insurers with a current A.M. Best rating of not less than A-, VII. Franchisee shall provide a copy of a certificate of insurance and additional insured endorsement (or blanket endorsement) to the City for its inspection at the time of acceptance of this Franchise, and such insurance certificate shall evidence insurance that includes:
- (1) Automobile Liability insurance with limits of \$5,000,000 combined single limit each accident for bodily injury and property damage;
 - (2) Commercial General Liability insurance as per form ISO CG 00 01 or its equivalent, written on an occurrence basis with limits of \$5,000,000 per occurrence for bodily injury and property damage and \$5,000,000 general aggregate including personal and advertising injury, contractual liability; premises; operations; independent contractors; products and completed operations; broad form property damage; explosion, collapse and underground (XCU);
 - (3) Workers' Compensation coverage as required by the Industrial Insurance laws of the State of Washington and Employer's Liability with a limit of \$1,000,000 each accident/disease/policy limit. Evidence of qualified self-insurance is acceptable; and
 - (4) Excess Umbrella liability policy with limits of \$10,000,000 per occurrence and in the aggregate. Franchisee may use any combination of primary and excess to meet required total limits.
- B. Payment of deductible or self-insured retention shall be the sole responsibility of Franchisee. Franchisee may utilize primary and Umbrella liability insurance policies to satisfy the insurance policy limits required in this Section 15. Franchisee's Umbrella liability insurance policy shall be at least as broad as its primary coverage.
- C. The required Commercial General Liability and Umbrella/Excess Liability insurance policies obtained by Franchisee shall include the City, its officers, officials, and employees ("Additional Insureds"), as additional insureds as their interests may appear under this Franchise, with coverage at least as broad as ISO form CG 20 11 or CG 20 26, or their equivalent and the required Commercial Auto Liability policy obtained by Franchisee shall include the City, its officers, officials, and employees ("Additional Insureds"), as an additional insured with

regard to the use of vehicles by or on behalf of Franchisee while in performance of this Agreement. In addition, the insurance policy shall contain a clause stating that coverage shall apply separately to each insured against whom a claim is made, or suit is brought, except with respect to the limits of the insurer's liability and except with respect to the rights and duties of Franchisee as the first named insured. Franchisee shall provide to the City a certificate or copies of required insurance and blanket additional insured endorsement. Receipt by the City of any certificate showing less coverage than required, is not a waiver of Franchisee's obligations to fulfill the requirements. Franchisee's required Commercial General and Automobile Liability insurance shall be primary insurance with respect to the City. Any insurance, self-insurance, or insurance pool coverage maintained by the City shall be in excess of Franchisee's required insurance and shall not contribute with it.

- D. Upon receipt of notice from its insurer(s), Franchisee shall provide the City with thirty (30) days prior written notice of any cancellation or nonrenewal of any insurance policy that is not replaced, required pursuant to this Section 15. Franchisee shall, prior to the effective date of such cancellation, obtain replacement insurance policies meeting the requirements of this Section 15. Failure to provide the insurance cancellation notice and to furnish to the City certificates of insurance as evidence of renewal or replacement insurance policies meeting the requirements of this Section 15 shall be considered a material breach of this Franchise and subject to the City's election of remedies described in Section 25 below. Notwithstanding the cure period described in Section 25.B, the City may pursue its remedies within ten (10) business days of Franchisee's failure to furnish certificates of insurance as evidence of renewal or replacement insurance.
- E. Franchisee's maintenance of insurance as required by this Section 15 shall not be construed to limit the liability of Franchisee to the coverage provided by such insurance, or otherwise limit the City's recourse to any remedy available at law or equity. Further, Franchisee's maintenance of insurance policies required by this Franchise shall not be construed to excuse unfaithful performance by Franchisee.
- F. The City may review all insurance limits once every three (3) years during the term, may make reasonable adjustments in the limits upon thirty (30) days' prior written notice to Franchisee and review by Franchisee. Franchisee shall provide a certificate of insurance to the City showing compliance with these adjustments and the additional insured endorsement
- G. As of the Effective Date of this Franchise, Franchisee is not self-insured with respect to the required insurance. Should Franchisee wish to become self-insured at the levels outlined in this Franchise at a later date, Franchisee (or its affiliated parent) entity shall comply with the following: (i) provide the City, upon request, a copy of Franchisee's (or its parent company's), most recent audited financial statements, if such financial statements are not otherwise publicly

available; (ii) Franchisee (or its parent company) is responsible for all payments within the self-insurance program; and (iii) Franchisee assumes all defense and indemnity obligations as outlined in the indemnification section of this Franchise.

Section 16. Security Fund.

- A. Franchisee shall establish and maintain a security fund in the amount of fifty thousand dollars (\$50,000), at its cost, with the City by depositing such monies, bonds, letters of credit, or other instruments in such form and amount acceptable to the City and running or renewable for the term of this Franchise. No sums may be withdrawn from the fund by Franchisee without consent of the City. The security fund shall be maintained at the sole expense of Franchisee so long as any of the Franchisee's facilities occupy a Public Way.
- (1) The fund shall serve as security for the full and complete performance of this Franchise, including any claims, costs, damages, judgments, awards, or liability, of any kind whatsoever, the City pays or incurs, including civil penalties, because of any failure attributable to Franchisee to comply with the provisions of this Franchise or the codes, ordinances, rules, regulations, standards, or permits of the City.
- B. Before any sums are withdrawn from the security fund, the City shall give written notice to Franchisee:
- (1) Describing the act, default or failure to be remedied, or the claims, costs, damages, judgments, awards, or liability which the City has incurred or may pay by reason of Franchisee's act or default;
 - (2) Providing a reasonable opportunity for Franchisee to first remedy the existing or ongoing default or failure, if applicable;
 - (3) Providing a reasonable opportunity for Franchisee to pay any monies due the City before the City withdraws the amount thereof from the security fund, if applicable; and
 - (4) Franchisee will be given an opportunity to review the act, default or failure described in the notice with the City or his or her designee.
- C. Franchisee shall replenish the security fund within fourteen (14) days after written notice from the City that there is a deficiency in the amount of the fund.
- D. Insufficiency of the security fund shall not release or relieve Franchisee of any obligation or financial responsibility. The amount of the bond shall not be construed to limit Franchisee's liability or to limit the City's recourse to any remedy to which the City is otherwise entitled at law or in equity.

Section 17. Construction and Maintenance Bonds.

- A. If required by permit, Franchisee shall furnish a performance bond (“Performance Bond”) written by a corporate surety reasonably acceptable to the City equal to at least 120% of the estimated cost of constructing Franchisee’s Facilities within the Rights-of-Way of the City prior to commencement of any such work or such other amount as deemed appropriate by the Public Works Director. The Performance Bond shall guarantee the following: (1) timely completion of construction; (2) construction in compliance with all applicable plans, permits, technical codes, and standards; (3) proper location of the Facilities as specified by the City; (4) restoration of the Rights-of-Way and other City properties affected by the construction; (5) submission of as-built drawings after completion of construction; and (6) timely payment and satisfaction of all claims, demands, or liens for labor, materials, or services provided in connection with the work which could be asserted against the City or City property. Said bond must remain in full force until the completion of construction, including final inspection, corrections, and final approval of the work, recording of all easements, provision of as-built drawings, and the posting of a Maintenance Bond as described in Section 17.B. Compliance with the Performance Bond requirement of the City’s current Design and Construction Standards shall satisfy the provisions of this Section 17.A. In lieu of a separate Performance Bond for individual projects involving work in the Franchise Area, Franchisee may satisfy the City’s bond requirements by posting a single on-going performance bond in an amount approved by City.
- B. Maintenance Bond. Franchisee shall furnish a two (2) year maintenance bond (“Maintenance Bond”), or other surety acceptable to the City, at the time of final acceptance of construction work on Facilities within the Rights-of-Way. The Maintenance Bond amount will be equal to ten percent (10%) of the documented final cost of the construction work. The Maintenance Bond in this Section 17.B must be in place prior to City’s release of the bond required Section 17.A. Compliance with the Maintenance Bond requirement of the City’s current Design and Construction Standards shall satisfy the provisions of this Section 17.B. In lieu of a separate Maintenance Bond for individual projects involving work in the Franchise Area, Franchisee may satisfy the Maintenance Bond requirement by posting a single on-going Maintenance Bond in an amount approved by City.

Section 18. Taxes, Charges, and Fees.

- A. Franchisee shall pay and be responsible for (i) all charges and fees imposed to recover actual administrative expenses incurred by the City that are directly related to receiving and approving this Franchise, (ii) any use and/or development authorizations which may be required, or (iii) any permit which may be required, to inspecting plans and construction, or to the preparation of a detailed statement pursuant to Chapter 43.21C RCW. Regular application and processing charges and fees imposed by the City shall be deemed to be attributable to actual administrative expenses incurred by the City but shall not

excuse Franchisee from paying and being responsible for other actual administrative expenses incurred by the City.

- (1) Franchisee shall pay a fee for the actual administrative expenses incurred by the City that are directly related to the receiving and approving this Franchise pursuant to RCW 35.21.860, including the costs associated with the City's legal costs incurred in drafting and processing this Franchise.
 - (2) Franchisee shall pay fees according to applicable sections of the Richland Municipal Code, including but not limited to Title 28, Title 12, and Title 14.
- B. Franchisee shall pay and be responsible for taxes permitted by law. Franchisee acknowledges that certain of its business activities may be subject to taxation as a telephone business and that Franchisee shall pay to the City the rate applicable to such taxable services under Title 5 RMC, and consistent with state and federal law. The parties agree that if there is a dispute regarding tax payments, the process in Title 5 RMC shall control. In that event, the City may not enforce remedies under Section 25.A or Section 25.B or commence a forfeiture or revocation process pursuant to Section 25.C until the dispute is finally resolved either consistent with Richland Municipal Code Title 5 or by judicial action and then only if the Franchisee does not comply with such resolution. The parties agree however, that nothing in this Franchise shall limit the City's power of taxation as may exist now or as later imposed by the City. This provision does not limit the City's power to amend Title 5 RMC as may be permitted by law.
- C. Where the City incurs costs and expenses for review, inspection, or supervision of activities, including but not limited to reasonable fees associated with attorneys, consultants, City staff and City Attorney time, undertaken through the authority granted in this Franchise, or any ordinances relating to the subject for which a permit fee is not established, Franchisee shall pay such costs and expenses directly to the City in accordance with the provisions of Section 18(E).
- D. Franchisee shall promptly reimburse the City in accordance with the provisions of Section 18.E and Section 18.F for any and all costs the City reasonably incurs in response to any emergency situation involving Franchisee's Facilities, to the extent said emergency is not the fault of the City. The City agrees to simultaneously seek reimbursement from any franchisee or permit holder who caused or contributed to the emergency situation.
- E. Franchisee shall reimburse the City within sixty (60) days of submittal by the City of an billing for incurred costs, itemized by project, for Franchisee's proportionate share of all actual, identified expenses incurred by the City in planning, constructing, installing, repairing, altering, or maintaining any City facility as the result of the presence of Franchisee's Facilities in the Rights-of-Way. Such costs and expenses shall include but not be limited to Franchisee's proportionate cost of City personnel assigned to oversee or engage in any work in the Rights-of-

Way as the result of the presence of Franchisee's Facilities in the Rights-of-Way. Such costs and expenses shall also include Franchisee's proportionate share of any time spent reviewing construction plans in order to either accomplish the relocation of Franchisee's Facilities, or the routing or rerouting of any utilities so as not to interfere with Franchisee's Facilities.

- F. The time of City employees shall be charged at their respective rate of salary, including overtime if applicable, plus benefits and reasonable overhead. Any other costs will be billed proportionately on an actual cost basis. All billings will be itemized so as to specifically identify the costs and expenses for each project for which the City claims reimbursement. A charge for the actual costs incurred in preparing the billing may also be included in said billing. At the City's option, the billing may be on an annual basis, but the City shall provide the Franchisee with the City's itemization of costs, in writing, at the conclusion of each project for information purposes.

- G. Franchisee hereby warrants that its operations, as authorized under this Franchise, are those of a telephone business as defined in RCW 82.16.010, or a service provider as defined in RCW 35.21.860. As a result, the City will not impose a franchise fee under the terms of this Franchise, other than as described herein. The City hereby reserves its right to impose a franchise fee on Franchisee if Franchisee's operations as authorized by this Franchise change such that the statutory prohibitions of RCW 35.21.860 no longer apply, or if statutory prohibitions on the imposition of such fees are removed. In either instance, the City also reserves its right to require that Franchisee obtain a separate Franchise for its change in use. Nothing contained herein shall preclude Franchisee from challenging any such new fee or separate agreement under applicable federal, state, or local laws.

Section 19. Shared Excavations; Additional Ducts and Conduits.

- A. If Franchisee shall, at any time, plan to make excavations in any area covered by this Franchise, the Franchisee shall afford the City, upon receipt of a written request to do so, an opportunity to share such excavation, PROVIDED THAT:
 - (1) Such joint use shall not unreasonably delay the work of the Franchisee causing the excavation to be made;
 - (2) Such joint use shall be arranged and accomplished on terms and conditions satisfactory to both parties;
 - (3) To the extent reasonably possible, Franchisee, at the direction of the City, shall cooperate with the City and provide other private utility companies with the opportunity to utilize joint or shared excavations in order to minimize disruption and damage to the Right-of-Way, as well as to minimize traffic-related impacts: and

- (4) Franchisee may only charge the incremental costs to the City of installing facilities supplied by the City in such joint or shared excavations.
- B. Franchisee shall inform the City with at least thirty (30) days' advance written notice that it is constructing, relocating, or placing ducts or conduits in the Rights-of-Way and provide the City with an opportunity to request that Franchisee provide the City with additional duct or conduit and related structures necessary to access the conduit pursuant to RCW 35.99.070. If the City elects to use Franchisee's ducts or conduits, the parties shall enter into contract consistent with RCW 80.36.150 to, among other things, provide for the recovery of Franchisee's incremental costs.
 - C. Except as expressly provided in this section, Franchisee shall not charge the City for any costs, of any kind whatsoever, for facilities provided by Franchisee in accordance with this Section 19.

Section 20. Intentionally Omitted.

Section 21. Acquisition of Facilities. Upon Franchisee's acquisition of any facilities in the Public Way, or upon any addition or annexation to the City of any area in which Franchisee has facilities, such facilities shall immediately be subject to the terms of this Franchise without further action of the City or Franchisee.

Section 22. Vacation of Rights-of-Way. If at any time the City, by ordinance, vacates all or any portion of the area affected by this Franchise, the City shall not be liable for any damages or loss to the Franchisee by reason of such vacation. The City shall notify the Franchisee in writing not less than sixty (60) days before vacating all or any portion of any such area. The City may, after sixty (60) days written notice to the Franchisee, terminate this Franchise with respect to such vacated area.

Section 23. Records; Duty to Provide Information.

- A. Within thirty (30) days of a written request from the City, but in no event more than once annually, Franchisee shall furnish the City with all requested information sufficient to reasonably demonstrate that the Franchisee has complied with all applicable requirements of this Franchise:
 - (1) That Franchisee has complied with all requirements of this Franchise;
 - (2) That taxes, fees, charges, or other costs owed or payable by Franchisee have been properly collected and paid; and
 - (3) Franchisee's obligations under this section are in addition to those provided in Section 6.J, Section 6.L and subsection (B) below.
- B. Franchisee will manage all of its operations in accordance with a policy of keeping its documents and records open and accessible to the City. The City will have access to, and the right to inspect, any documents and records of

Franchisee and its affiliates that are reasonably necessary for the enforcement of this Franchise or to verify Franchisee's compliance with terms or conditions of this Franchise. Franchisee will not deny the City access to any of Franchisee's records on the basis that Franchisee's documents or records are under the control of any affiliate or a third party.

- C. All books, records, maps and documents maintained by Franchisee with respect to its Facilities within the Rights-of-Way shall be made available for inspection by the City at reasonable times and intervals; provided, however, that nothing in this Section 23.C shall be construed to require Franchisee to violate state or federal law regarding customer privacy, nor shall this Section be construed to require Franchisee to disclose proprietary or confidential information without adequate safeguards for its confidential or proprietary nature. Unless otherwise permitted or required by state or federal law, nothing in this Section shall be construed as permission to withhold relevant customer data from the City that the City requests in conjunction with a tax audit or review; provided, however, Franchisee may redact identifying information including but not limited to names, street addresses (excluding City and zip code), Social Security Numbers, or Employer Identification Numbers related to any confidentiality agreements Franchisee has with third parties.
- D. One copy of documents and records requested by the City will be furnished to the City at the cost of Franchisee. If the requested documents and records are too voluminous or for security reasons cannot be copied or removed, the parties will promptly meet and discuss how Franchisee shall produce the documents.
- E. Franchisee shall not be required to disclose information that it reasonably deems to be proprietary or confidential in nature; provided, however, Franchisee shall disclose such information to comply with a utility tax audit. Franchisee shall be responsible for clearly and conspicuously identifying the work as confidential or proprietary and shall provide a brief written explanation as to why such information is confidential and how it may be treated as such under State or federal law. In the event that the City receives a public records request under Chapter 42.56 RCW or similar law for the disclosure of information Franchisee has designated as confidential, trade secret, or proprietary, the City shall promptly provide written notice of such disclosure so that Franchisee can take appropriate steps to protect its interests.
- F. Nothing in this Franchise prohibits the City from complying with Chapter 42.56 RCW or any other applicable law or court order requiring the release of public records, and the City shall not be liable to Franchisee for compliance with any law or court order requiring the release of public records. Franchisee shall indemnify, defend, and hold the City harmless against any claims, liabilities, penalties, costs and attorneys' fees that the City incurs based on public records that are in the possession or under the dominion and control of Franchisee, including, but not limited to, Franchisee's failure or declination to retain or conduct a reasonable search in compliance with law, withhold in whole or in part,

or timely provide the public records to the City, or based upon any and all actions of Franchisee in seeking to prevent disclosure of a record in whole or in part that is in the possession of the City. The City shall comply with any injunction or court order obtained by Franchisee that prohibits the disclosure of any confidential records; however, in the event a higher court overturns such injunction or court order and such higher court action is or has become final and non-appealable, Franchisee shall reimburse the City for any fines or penalties imposed for failure to disclose such records as required hereunder within sixty (60) days of a request from the City.

Section 24. Assignment or Transfer. Franchisee's rights, privileges, and authority under this Franchise, and ownership or working control of facilities constructed or installed pursuant to this Franchise, may not, directly or indirectly, be transferred, assigned or disposed of by sale, lease, merger, consolidation or other act of Franchisee, by operation of law or otherwise, except as provided herein, or without the prior written consent of the City, which consent shall not be unreasonably withheld or delayed. Any transfer, assignment or disposal of Franchisee's rights, privileges, and authority under this Franchise, or ownership or working control of facilities constructed or installed pursuant to this Franchise, may be subject to reasonable conditions as may be prescribed by the City.

- A. Franchisee and the proposed assignee or transferee shall provide and certify the following information to the City not less than one hundred and twenty (120) days prior to the proposed date of assignment, transfer, or disposal:
 - (1) Complete information setting forth the nature, terms and condition of the proposed assignment, transfer, or disposal;
 - (2) Any other information reasonably required by the City; and
 - (3) A transfer application fee in an amount to be determined by the City to recover actual administrative costs directly related to receiving and approving the proposed assignment, transfer, or disposal.
- B. No assignment, transfer, or disposal may be made or shall be approved unless the assignee or transferee has the legal, technical, financial, and other requisite qualifications to operate, maintain, repair, and remove facilities constructed or installed pursuant to this Franchise and to comply with the terms and conditions of this Franchise.
- C. Any transfer, assignment, or disposal of rights, privileges, and authority under this Franchise or ownership or working control of facilities constructed or installed pursuant to this Franchise, without prior written approval of the City pursuant to this section, shall be void and is cause for termination of this Franchise.
- D. Franchisee may freely assign this Franchise in whole or in part to a parent, subsidiary, or affiliated entity, unless there is a change of control as described in Section 24.C below, or to an entity that acquires all or substantially all of

Franchisee's assets located in the area defined by the Federal Communications Commission in which the Facilities are located, or for collateral security purposes.

- E. Any transactions which singularly or collectively result in a change of 50% or more of the: (i) ownership or working control (for example, management of Franchisee or its Facilities) of the Franchisee; or (ii) ownership or working control of the Franchisee's Facilities within the City; or (iii) control of the capacity or bandwidth of the Franchisee's Facilities within the City, shall be considered an assignment or transfer requiring notice to and consent by the City pursuant to this Franchise. Such transactions between affiliated entities are not exempt from notice requirements. A Franchisee shall notify the City of any proposed change in, or transfer of, or acquisition by any other party of control of a Franchisee within sixty (60) days following the closing of the transaction.
- F. All terms and conditions of this Franchise shall be binding upon all successors and assigns of Franchisee and all persons who obtain ownership or working control of any facility constructed or installed pursuant to this Franchise.

Section 25. Violations, Noncompliance, and Other Grounds for Termination or Cancellation.

- A. The City may elect, without any prejudice to any of its other legal rights and remedies, to obtain an order from the superior court having jurisdiction compelling Franchisee to comply with the provisions of the Franchise and to recover damages and costs incurred by the City by reason of Franchisee's failure to comply. In addition to any other remedy provided herein, the City reserves the right to pursue any remedy to compel or force Franchisee and/or its successors and assigns to comply with the terms hereof, and the pursuit of any right or remedy by the City shall not prevent the City from thereafter declaring a forfeiture or revocation for breach of the conditions herein. Provided, further, that by entering into this Franchise, it is not the intention of the City or Franchisee to waive any other rights, remedies, or obligations as otherwise provided by law, equity, or otherwise, and nothing contained here shall be deemed or construed to affect any such waiver
- B. If Franchisee shall violate, or fail to comply with any of the provisions of this Franchise, or should it fail to heed or comply with any notice given to Franchisee under the provisions of this Franchise, the City shall provide Franchisee with written notice specifying, with reasonable particularity, the nature of any such breach and Franchisee shall undertake all commercially reasonable efforts to cure such breach within thirty (30) days of receipt of notification. If the parties reasonably determine the breach cannot be cured within (30) thirty days, the City may specify a longer cure period, and condition the extension of time on Franchisee's submittal of a plan to cure the breach within the specified period, commencement of work within the original thirty (30) day cure period, and diligent prosecution of the work to completion. If the breach is not cured within the

specified time, or Franchisee does not comply with the specified conditions, the City may, at its discretion: (1) commence revocation proceedings, pursuant to Section 25.C; or (2) claim damages of Two Hundred Fifty Dollars (\$250.00) per day against the security fund set forth in Section 16; or (3) suspend the issuance of additional permits; or (4) pursue other remedies as described in Section 25.A above.

C. This Franchise, and any right, privilege or authority of Franchisee to enter, occupy or use public ways may be terminated or cancelled by the City for any of the following reasons:

- (1) Violation of or noncompliance with any term or condition of this Franchise by Franchisee;
- (2) Violation of or noncompliance with the material terms of any use and/or development authorization or required permit by Franchisee;
- (3) Construction, installation, operation, maintenance, or repair of facilities on, in, under, over, across, or within any Public Way without Franchisee first obtaining use and/or development authorization and required permits from the City and all other appropriate regulatory authorities;
- (4) Unauthorized construction, installation, operation, maintenance, or repair of facilities on City property;
- (5) Misrepresentation or lack of candor, by or on behalf of, Franchisee in any application or written or oral statement upon which the City relies in making the decision to grant, review or amend any right, privilege or authority to Franchisee;
- (6) Abandonment of facilities;
- (7) Failure of Franchisee to pay taxes, fees, charges or costs when and as due; or
- (8) Insolvency or bankruptcy of Franchisee.

D. In the event that the City believes that grounds exist for termination or cancellation of this Franchise or any right, privilege or authority of Franchisee to enter, occupy or use public ways, Franchisee shall be given written notice, and providing Franchisee a reasonable period of time not exceeding sixty (60) calendar days to furnish evidence:

- (1) That corrective action has been, or is being actively and expeditiously pursued, to remedy the violation, noncompliance, or other grounds for termination or cancellation;

- (2) That rebuts the alleged violation, noncompliance, or other grounds for termination or cancellation; or
 - (3) That it would be in the public interest to impose some penalty or sanction less than termination or cancellation.
- E. In the event that Franchisee fails to provide evidence reasonably satisfactory to the City as provided in subsection (D) of this section, the City shall refer the apparent violation, noncompliance, or other grounds for termination or cancellation to the City Council. The City Council shall provide the Franchisee with notice and a reasonable opportunity to be heard concerning the matter.
- F. If the City Council determines that the violation, noncompliance, or other grounds for termination or cancellation arose from willful misconduct or gross negligence by Franchisee, then, Franchisee shall, at the election of the City Council, forfeit all rights, privileges and authority conferred under this Franchise or any use and/or development authorization or permit granted by the City, and this Franchise and any such use and/or development authorization or permit may be terminated or cancelled by the City Council. The City Council may elect, in lieu of the above and without any prejudice to any of its other legal rights and remedies, to pursue other remedies, including obtaining an order compelling Franchisee into compliance or to take corrective action, or to recover damages and costs incurred by the City by reason of Franchisee's actions or omissions. The City Council shall utilize the following factors in analyzing the nature, circumstances, extent, and gravity of the actions or omissions of Franchisee:
- (1) Whether the misconduct was egregious;
 - (2) Whether substantial harm resulted;
 - (3) Whether the violation was intentional;
 - (4) Whether there is a history of prior violations of the same or other requirements;
 - (5) Whether there is a history of overall compliance; and
 - (6) Whether the violation was voluntarily disclosed, admitted or cured.
- E. The City Council's choice of remedy shall not excuse Franchisee from compliance with any term or condition of this Franchise or the material terms of any use and/or development authorization or required permit by Franchisee. Franchisee shall have a continuing duty to remedy any violation, noncompliance, or other grounds for termination or cancellation. Further, nothing herein shall be construed as limiting any remedies that the City may have, at law or in equity, for enforcement of this Franchise and any use and/or development authorization or permit granted to Franchisee.

Section 26. Notices.

- A. Any regular notice or information required or permitted to be given to the parties under this Franchise may be sent to the following addresses unless otherwise specified:

The City: City of Richland

- B. Franchisee shall additionally provide a phone number and designated official to respond to City questions. In case of emergencies, the City may contact **(800) 832-6662** to request immediate repair or shutoff. After being notified of an emergency, Franchisee shall cooperate with the City and make commercially reasonable efforts to immediately respond to minimize damage, protect the health and safety of the public and repair facilities to restore them to proper working order. Annually, on request of the City, Franchisee will meet with City emergency response personnel to coordinate emergency management operations and, at least once a year, at the request of the City, actively participate in emergency preparations.
- C. Additionally, Franchisee shall designate a Franchise manager or government affairs liaison, and shall use reasonable efforts to periodically update the City with contact information for a Franchise manager or government affairs liaison to act as a resource for the City for Franchise related questions, including but not limited to questions related to Franchise compliance, scheduling and construction. Failure to periodically update the City with the contact information will not be considered a breach of this Franchisee.

Section 27. Non-Waiver. The failure of the City to exercise any rights or remedies under this Franchise or to insist upon compliance with any terms or conditions of this Franchise shall not be a waiver of any such rights, remedies, terms or conditions of this Franchise by the City and shall not prevent the City from demanding compliance with such terms or conditions at any future time or pursuing its rights or remedies.

Section 28. Eminent Domain. This Franchise is subject to the power of eminent domain and the right of the City Council to repeal, amend or modify the Franchise in the interest of the public. In any proceeding under eminent domain, the Franchise itself shall have no value.

Section 29. Limitation of Liability. Administration of this Franchise may not be construed to create the basis for any liability on the part of the City, its elected officials, officers, employees, servants, agents, and representatives for any injury or damage from the failure of the Franchisee to comply with the provisions of this Franchise; by reason of any plan, schedule or specification review, inspection, notice and order, permission, or other approval or consent by the City; for any action or inaction thereof authorized or done in connection with the implementation or enforcement of this Franchise by the City; or for the accuracy of plans submitted to the City.

Section 30. Intentionally Omitted.

Section 31. Governing Law and Venue. This Franchise and use of the applicable Public Ways will be governed by the laws of the State of Washington, unless preempted by federal law. Franchisee agrees to be bound by the laws of the State of Washington, unless preempted by federal law, and subject to the jurisdiction of the courts of the State of Washington. Any action relating to this Franchise must be brought in the Superior Court of Washington for Benton County, or in the case of a federal action, the United States District Court for the Eastern District of Washington at Richland, Washington, unless an administrative agency has primary jurisdiction.

Section 32. Severability. If any section, sentence, clause or phrase of this Franchise or its application to any person or entity should be held to be invalid or unenforceable, such invalidity or unenforceability will not affect the validity or enforceability of any other section, sentence, clause or phrase of this Franchise nor its application to any other person or entity.

Section 33. Miscellaneous.

- A. Equal Employment and Nondiscrimination. Throughout the term of this Franchise, Franchisee will fully comply with all equal employment and nondiscrimination provisions and requirements of federal, state, and local laws, and in particular, FCC rules and regulations relating thereto.
- B. Descriptive Headings. The headings and titles of the sections and subsections of this Franchise are for reference purposes only and do not affect the meaning or interpretation of the text herein.
- C. Costs and Attorneys' Fees. If any action or suit arises in connection with this Franchise, the substantially prevailing party will be entitled to recover all of its reasonable costs, including attorneys' fees, as well as costs and reasonable attorneys' fees on appeal, in addition to such other relief as the court may deem proper.

- D. No Joint Venture. Nothing herein will be deemed to create a joint venture or principal-agent relationship between the parties, and neither party is authorized to, nor shall either party act toward third persons or the public in any manner that would indicate any such relationship with the other.
- E. Mutual Negotiation. This Franchise was mutually negotiated by the Franchisee and the City and has been reviewed by the legal counsel for both parties. Neither party will be deemed to be the drafter of this Franchise.
- F. Third-Party Beneficiaries. There are no third-party beneficiaries to this Franchise.
- G. Actions of the City or Franchisee. In performing their respective obligations under this Franchise, the City and Franchisee will act in a reasonable, expeditious, and timely manner. Whenever this Franchise sets forth a time for any act to be performed by Franchisee, such time shall be deemed to be of the essence, and any failure of Franchisee to perform within the allotted time may be considered a material breach of this Franchise, and sufficient grounds for the City to invoke any relevant remedy.
- H. Entire Agreement. This Franchise represents the entire understanding and agreement between the parties with respect to the subject matter and supersedes all prior oral and written negotiations between the parties.
- I. Modification. The parties may alter, amend or modify the terms and conditions of this Franchise upon written agreement of both parties to such alteration, amendment or modification. Nothing in this subsection shall impair the City's exercise of authority reserved to it under this Franchise.
- J. Non-exclusivity. This Franchise does not confer any exclusive right, privilege, or authority to enter, occupy or use public ways for delivery of telecommunications services or any other purposes. This Franchise is granted upon the express condition that it will not in any manner prevent the City from granting other or further franchises in, on, across, over, along, under or through any Public Way.
- K. Rights Granted. This Franchise does not convey any right, title or interest in public ways, but shall be deemed only as authorization to enter, occupy, or use public ways for the limited purposes and term stated in this Franchise. Further, this Franchise shall not be construed as any warranty of title. This Franchise may be enforced by both law and equity.
- L. Contractors and Subcontractors. Franchisee's contractors and subcontractors must be licensed and bonded in accordance with the City's ordinances, rules, and regulations. Work by contractors and subcontractors is subject to the same restrictions, limitations and conditions as if the work were performed by Franchisee. Franchisee shall be responsible for all work performed by its contractors and subcontractors and others performing work on its behalf as if the work were performed by Franchisee and shall ensure that all such work is performed in compliance with this Franchise and applicable law.

- M. Hazardous Substances. Franchisee shall not introduce or use any hazardous substances (chemical or waste) in violation of any applicable law or regulation, and Franchisee shall not allow any of its agents, contractors, or any person under its control to do the same. Franchisee will be solely responsible for and will defend, indemnify, and hold the City and its officers, officials, employees, agents, and representatives harmless from and against any and all claims, costs, and liabilities, including reasonable attorney fees and costs, arising out of or in connection with the cleanup or restoration of the property associated with Franchisee's use, storage, or disposal of hazardous substances, whether or not intentional, and/or with the use, storage or disposal of such substances by Franchisee's agents, contractors, or other persons acting under Franchisee's control, whether or not intentional. Notwithstanding the foregoing, any and other provision in this Franchise, Franchisee shall not be liable or responsible for any environmental condition except to the extent Franchisee causes the condition or exacerbates the condition of which it has reason to be aware.
- N. Licenses, Fees and Taxes. Prior to constructing any improvements, Franchisee shall obtain a business or utility license from the City. Franchisee shall pay promptly and before they become delinquent, all taxes on personal property and improvements owned or placed by Franchisee and shall pay all license fees and public utility charges relating to the conduct of its business, shall pay for all permits, licenses and zoning approvals, shall pay any other applicable tax unless documentation of exemption is provided to the City and shall pay utility taxes and license fees imposed by the City.
- O. FAA and FCC. Franchisee acknowledges that it, and not the City, shall be responsible for the premises and equipment's compliance with all marking and lighting requirements of the FAA and the FCC. Franchisee shall indemnify and hold the City harmless from any fines or other liabilities caused by Franchisee's failure to comply with such requirements. Should Franchisee or the City be cited by either the FCC or the FAA because the Facilities or the Franchisee's equipment is not in compliance, and should Franchisee fail to cure the conditions of noncompliance within the timeframe allowed by the citing agency, the City may either terminate this Franchise immediately (on notice to the Franchisee), or proceed to cure the conditions of noncompliance at the Franchisee's expense.
- P. Acceptance. Franchisee shall execute and return to the City its execution and acceptance of this Franchise in the form attached hereto as Exhibit A. In addition, Franchisee shall submit proof of insurance obtained and additional insured endorsement pursuant to Section 15, any Performance Bond, if applicable, pursuant to Section 17.A, and the security fund required pursuant to Section 16.
- Q. Survival. All of the provisions, conditions, and requirements of Section 5, Section 10, Section 11, Section 14, Section 15, Section 31 and Section 33.Q of this Franchise shall be in addition to any and all other obligations and liabilities Franchisee may have to the City at common law, by statute, or by contract, and shall survive the City's Franchise to Franchisee for the use of the Franchise

Area, and any renewals or extensions thereof. All of the provisions, conditions, regulations and requirements contained in this Franchise shall further be binding upon the heirs, successors, executors, administrators, legal representatives and assigns of Franchisee and all privileges, as well as all obligations and liabilities of Franchisee shall inure to its heirs, successors and assigns equally as if they were specifically mentioned where Franchisee is named herein.

R. Expiration. If this Franchise expires without renewal, the City may, subject to applicable law:

- (1) Allow Franchisee to maintain and operate its Facilities on a month-to-month basis, provided that Franchisee maintains insurance for such Facilities during such period and continues to comply with this Franchise; or
- (2) The City may order the removal of any and all Facilities at Franchisee's sole cost and expense consistent with Section 10.

Section 34. Publication. The City Clerk is authorized and directed to publish this Ordinance in accordance with the Richland City Charter.

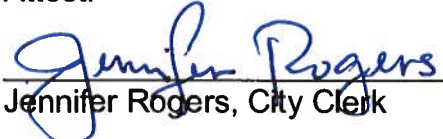

Section 35. Effective Date. This Ordinance shall become effective on the thirty-first (31st) day after its first publication as required by law, but if, and only if, the Franchisee has endorsed this Ordinance and accepted the terms and conditions thereof.

PASSED by the City Council of the City of Richland, Washington, at a regular meeting on the 20th day of October, 2020.
