51	NONE. If its Art, its alright by me.	12/3/2020 3:42 PM
52	The "art" within the roundabouts in Richland (especially Queensgate) is horrible! It is so incredibly tacky, Bend, Oregon has great roundabout art and sometimes just beautiful landscaping is better (Kennewick)	12/3/2020 2:25 PM
53	The sculpture of Sacajawea in Columbia Park area is boring. Take a look at the Sacajawea sculpture located at the Port of Cascade Locks,OR. Much more interesting. Port commissioned local artist Heather Söderberg of Söderberg Bronze Works Inc.	12/3/2020 11:54 AM
54	LIKE THEM ALL!	12/3/2020 11:47 AM
55	NA I love it all	12/3/2020 11:43 AM
56	I HATE with a burning passion the roundabout art that was chosen for the queensgate area. On top of that, it is a slap in the face to local artists that those installations were done by an outside corporation, and not local artists.	12/3/2020 11:02 AM

85	Generally I appreciate beautifying existing space/objects and interactive pieces. Locally I love the xylophone/marimba type piece and carved totems at the Howard Amon park. Also the new vintage photo utility wraps in central Richland. I also enjoy the modern and playful roundabout sculptures in the Southridge complex area. The murals at the Uptown are nice, but without additional updates to the exterior, the colors can look dingy. Elsewhere, Denver's "Crushwalls"	12/28/2020 4:37 PM

event is a great confluence of a city, art, music, and culture. I also love the idea behind the 'Freak Alley' mural alley in Boise.

95	The metal tree in old town Richland. I just think it is beautiful & also a bit of whimsy! I also love the large metal art of running horses on the hills above I-90 between Ellensburg and Spokane! It looks like it fits the landscape and the horses are beautiful -- it also breaks up a rather long mostly barren landscape. Another sculpture I love is "Waiting For The Interurban" under the Fremont bridge in Seattle -- it's fun to see how people dress the sculptures up during the year.	12/27/2020 8:52 PM
96	Parkway roundabout art. It is stunningly beautiful	12/27/2020 8:42 PM

104	Wrapped Traffic utility boxes	12/27/2020 6:42 PM
105	Richland is the abyss of the arts. Nothing I have seen even resembles good public art. See the bean	12/27/2020 5:13 PM
106	Most other metro areas have large colorful murals on buildings and have their utility boxes painted by local artists. I was disappointed to see that Richland's version of the utility box art was a black and white wrap of old Richland, this place could really use some color.	12/27/2020 2:19 PM
107	The roundabout by STCU in Southridge	12/27/2020 1:58 PM

124	I like more traditional sculptures of everyday life (bronze statues.)	12/26/2020 2:46 PM
125	Tree in the parkway round about. For an area that is as dry as TC it is the best use of a long term eye sore. Don't plant things that aren't dessert sun tolerant or require an obscene amount of water to keep looking healthy.	12/26/2020 2:37 PM
126	Downtown Boise has done this really well--a mixture of sculpture, murals, wraps & art installations give the area a cool vibe.	12/26/2020 2:05 PM

135	Stanley Park totem pole exhibition, Vancouver BC	12/23/2020 3:24 PM
136	Murals in the Uptown are great. Do art for art sake, not because it serves a utilitarian purpose like roundabouts or utility boxes. This is what develops culture. The great work	12/23/2020 1:25 PM
137	overall response to ranking: there is no favorite or least favorite. What I respond to may vary by day, mood, weather, etc. Simply having public art, especially which conveys whimsy or shows up in unexpected places, is always welcome.	12/22/2020 12:27 PM
138	The Bean in Chicago. Pedestrian bridges with awesome design and art (thinking of Austin Texas) --Could do across the Yakima river? Art along bike lanes, pedestrian trails.	12/21/2020 7:14 PM

145	The metal roundabout sculptures at the corner of Olymic and 45th in Kennewick- proportional, eye-catching and whimsical	12/17/2020 1:01 PM
146	The most notable always seem to be sculptures, like the LOVE sculpture in Philadelphia, Cloud Gate in Chicago, or the Hammering Man in Seattle. The smaller details incorporated into everyday items like the new fish fencing along George Washington Way near downtown or painted utility boxes are more subtle but provide a sense of place.	12/17/2020 11:14 AM
147	I enjoy the fake trees in the middle of the roundabout on Steptoe Ave and 10th Ave in Kennewick. It is colorful and simple, and not distracting.	12/17/2020 10:09 AM

149	Adventures underground mural	12/17/2020 8:22 AM
150	The Uptown murals are absolutely my favorite. I love the colors and the style. People come to take pictures at the Uptown and stay to shop. I also like the new utility wraps- while they're not my preferred art, I do think they do a great job of taking something ugly and boring and making it look nice.	12/17/2020 8:06 AM
151	I like the fountain in front of the new Richland City building. Clever, unique	12/17/2020 7:51 AM

154	Art mural at adventures underground	12/17/2020 7:25 AM
155	I love building murals because they make an area looked cared about in a more substantial way than "The city wants art I guess, let's put a sculpture on the sidewalk and be done with it." They have a chance to tell a story and add loveliness to older buildings!	12/17/2020 1:37 AM

161	Theater	12/11/2020 9:35 AM
162	Painted murals, the ones on the sides of uptown are beautiful	12/8/2020 2:43 PM
163	Graffiti murals (San Francisco, on trains, etc.) because I love the lettering/creative images and look of the spray paint. I love the Uptown's big murals, especially the Mid-Century one, which really celebrates Richland's atomic heritage. The playground art sculptures at Oak Park are so mid-centuryish with a powerful minimalist beauty and the love bench is even practical (COR).	12/8/2020 10:10 AM
164	the metal/glass tree in the parkway roundabout is BEAUTIFUL and I wish more of the roundabout artwork was like that. I love the murals on the buildings where people can take photos next to it, like Nashville has. I would love to see more of that. I also like practical art that isn't abstract. Make our city beautiful. We don't need ugly art.	12/7/2020 6:59 PM

175	The tree in the parkway in Richland. It's beautiful, I don't really care for abstract art installations.	12/4/2020 6:13 AM
176	The ponds @ Old Mill District in Bend, Oregon - ponds are set up for learning fly fish casting...benches for eating - generally a nice looking, relaxing area	12/4/2020 6:10 AM
177	I love open spaces with well placed items, like the pompy's Info rocks on the trail. I really wish that the City would keep the land where City Hall was and develop a walking path and a kind of arboretum on that sight. I lived in the greater Boston area for awhile. Our town had a city square that was a little more protected than what Richland has, but they often had parades and city events and concerts there. There was one small section where they had a doll parade each year. It was soooo adorable. It was only about 50 m long. There are many things I think the City is doing well with.	12/4/2020 2:46 AM
178	The tree at Lee and the Parkway	12/3/2020 9:37 PM
179	The tree at the roundabout. It signifies the park for me.	12/3/2020 8:56 PM

189	Murals on the side of buildings give a community vibrancy.	12/3/2020 1:47 PM
190	In 2010, the Port commissioned local artist Heather Söderberg of Söderberg Bronze Works Inc. to create two bronze sculptures of Sacagawea and the dog Seaman, of Lewis and Clark history. These two figures have historical significance in the area—Cascade Locks was a noted stop on Lewis and Clark's trail. These sculptures are located in the roundabout adjacent to the Visitor's Center. Heather's stunning work set in such a beautiful location creates a site that will be treasured for years to come.	12/3/2020 11:54 AM

196	I love love love the Goethals nature park. I realize this isn't a textbook definition of "art" but it is esthetically pleasing and speaks to the kid in all of us. The layout is so creative and beautiful. Very fun, loved, and enjoyed by so many!!	12/3/2020 10:44 AM

207	Salmon sculpture over the Steptoe Bridge. Salmon are part of Washington.	12/2/2020 8:29 PM

209	book benches	12/2/2020 7:34 PM
210	Our family really likes the fountain in front of the new city hall. Repurposing old things or bits of history to make something new, memorable, and beautiful. Art that makes you ask questions! 16	I'm not a fan of replicas of works by masters or artists that are already well known. Most of what the rest of us desperately need is exposure. We need chances to be seen and public art is a great way to bring that. The more who can be included, the better.	1/13/2021 7:51 PM
17	The vinyl wraps I'd love to see art and fewer historical photos	1/13/2021 6:09 PM

36	Sculpture in roundabouts. Several installations we already have, aren't very noteworthy.	1/12/2021 5:48 PM
37	roundabout in Queensgate area...makes no sense in that spot because you can't study it while driving	1/12/2021 4:14 PM
38	I don't enjoy sculptures in roundabouts because oftentimes they don't add to the beauty and culture of a city.	1/12/2021 3:19 PM

41	There's just not enough of it!	1/12/2021 2:02 PM
42	The round about near queensgate that looks like a crumpled erector set- it's scale and coloring are odd choices, it looks like an uncleared car accident/damaged road divider	1/12/2021 1:41 PM
43	Basalt columns	1/12/2021 1:37 PM
44	Murals on building walls. A building should look like a building, nothing more.	1/12/2021 9:51 AM
45	I only say the Art in the Round-a-bouts because they can only be enjoyed as you drive around the roundabout. Its not a piece you can interact with.	1/12/2021 9:33 AM
46	N/A	1/12/2021 9:18 AM
47	My least favorite example in Richland is the "Waves of Viticulture" at the queensgate roundabout. It is not to scale for the roundabout and it is not weathering well. And I often see tumbleweeds getting caught up in it.	1/12/2021 8:51 AM
48	Mimes and clowns are not art.	1/11/2021 10:57 PM
49	Roundabout decorations	1/11/2021 9:01 PM
50	Not fond of the metal weeds in the roundabouts, supposed to be paying attention to driving and not accessible to people	1/11/2021 8:30 PM
51	The art in roundabouts near the Queensgate area because it doesn't seem to really tell any story, and appears to seem random.	1/11/2021 4:40 PM
52	I don't really have a least favorite type of public art.	1/11/2021 3:38 PM
53	The new roundabout art near the Walmart/Target shopping area in Richland. It's absolutely horrendous. It just looks like weird trash and picks up tumbleweeds. It would have been way cooler if the city hired local high schoolers or some other local group to design something.	1/11/2021 3:16 PM
54	None	1/11/2021 3:09 PM
55	It roundabout at I182 and Queens gate is boris. It catches touble weed and looks like a bunch of garbage has been left there.	1/10/2021 11:01 AM
56	There seem to be a disproportionally large number of memorial plaques, in comparison to other types of public art, and few of them are constructed to provide any background or context for the person memorialized. As a result, most of them have little or no meaning except to a small number of people. Most of them also contain no specific art component. Memorial plaques should either contain some actual art component, or provide information on the person memorialized and their importance to the community, or both.	1/9/2021 7:05 PM
57	Roundabouts—I love the concept but not some of the sculptures out there. I wish there were non-neutral colors and less sharp edges	1/9/2021 8:10 AM
58	The metal flowers in the round about in Kennewick. Don't be trite. Don't be afraid to tell artists	1/8/2021 9:38 PM

that their idea is lame. Not every piece of art needs to represent the area, the rivers, wind, wine, hanford, wildlife etc. Many fabulous famous pieces of art around the world add a new story to the environment.

59	Art should not be limited. The more the better. We need more color in the tri-cities.	1/8/2021 10:08 AM
60	The Queensgate roundabout art near Tagaris. It looks literally like garbage. If someone was traveling through from out of the area, I don't think it would be identifiable as to what it is or what it represents, therefore not being memorable or really adding value to the community. Supporting ALL art is important, but I feel we can do better for the pieces placed in the middle of roundabouts.	1/8/2021 9:20 AM
61	The art piece at the queens gate roundabout. That's about it. Mostly art without depth. I would welcome art with meaning, aesthetic execution and appropriate content. Something uniquely executed by an artist and unexpected by the masses would be great	1/7/2021 9:47 PM
62	Gum wall	1/7/2021 6:36 PM
63	round about art that blocks views across intersection, statues at schools that are unsafe for kids to be near	1/7/2021 11:31 AM
64	installations in Queensgate roundabouts	1/5/2021 7:46 AM
65	Queensgate roundabouts look awful! Plain rocks would be better than tangled metal rust catches tumbleweeds and bags.	1/4/2021 6:07 PM
66	Current city signage	1/2/2021 11:13 PM
67	the bridge wall that I mentioned, I understand the concept of blending with the hillside shapes, just think the final product may not have matched the intent	12/28/2020 5:16 PM
68	I am not a fan of the roundabout art, but I think that's specific to the Tri-Cities. I would love to see that change in time as the arts commission see's a need. Big, bold, sturdy, modern, and understandable.	12/28/2020 4:37 PM
69	Art that you cannot easily see or understand when placed at areas of high doors or lots of traffic. Ex: Tiny fish in median on canal Drive in Kennewick. And tiny hard-to-see silver art in Queensgate roundabout	12/28/2020 3:43 PM
70	Round about art in Richland...too small and abstract. Kennewick, on the other hand, has big, bold displays that are more suited to the setting.	12/28/2020 2:09 PM
71	It is boring and it is hardly ever weeded in the roundabout.	12/28/2020 1:14 PM
72	All has value. Sometimes the little gems like the painted angel wings make a difference	12/28/2020 12:42 PM
73	Art in roundabouts. So far, it's not been impressive locally. Money would better be spent on reflective strips around the roundabout so people can see the border of it at night. Specifically the one at Columbia Park Trail and Queensgate.	12/28/2020 10:20 AM
74	The roundabout at Queensgate freeway entrance. Looks like a tangled mess of rebar and wire.	12/28/2020 8:20 AM
75	Round-a-Bout garbage.	12/27/2020 11:23 PM
76	The roundabout sculptures in the tri cities are absolutely awful. Cold and stale, can't tell what any of them are. Would be better served as tree/garden space or colorful art installations	12/27/2020 10:27 PM
77	Seattle public library. I like the glass but dislike the plantings outside -- too messy. I hate the garish colors on the inside; the extremely hard & uncomfortable seating inside & the exposed interior works. I loved the coziness of the big leather seating in the old library & beautiful dark wood. You could curl up & read a good book comfortably.	12/27/2020 8:52 PM
78	Very disappointed with much of the roundabout artwork in Richland	12/27/2020 8:14 PM
79	Some of the roundabout art is beautiful, but some isn't. Queensgate roundabout looks like a heap of metal, and it wasn't created locally.	12/27/2020 8:06 PM
80	Queensgate round about "art" !	12/27/2020 7:38 PM
81	All the other round about art is awful. Prefer art reflective of nature and from local artists	12/27/2020 7:30 PM
82	Over powers the area they are in, ie. bright colors.	12/27/2020 7:28 PM

83	If the City of Richland considers the dark blue on Black signage that is unreadable art, then that is my least favorite. Ugliest thing next to the roundabout art I have ever laid my eyes on. Next would be roundabout art. The Queensgate art, purple vagina and S&M barbed wire is a travesty!!	12/27/2020 7:22 PM
84	Round about art when we could plant trees instead	12/27/2020 7:06 PM
85	Roundabouts	12/27/2020 6:42 PM
86	The metal fountain in front of the new City Hall. City Hall is a cold, rectilinear glass and metal building. We did not need more metal in front of it. I think your sculpture should contrast and complement the thing it's in front of. Something with wood, something with plants, something green, something growing would've been preferable I think.	12/27/2020 6:12 PM
87	That stupid red thing in John Dam plaza.	12/27/2020 5:13 PM
88	We hate the rusty sewer pipe "fountain" in front of city hall, and we still don't know what the sharp pointy shiny metal things in the middle of the roundabouts are supposed to look like. Maybe clouds?	12/27/2020 2:19 PM
89	We have enough basalt installments.	12/27/2020 11:17 AM
90	The sculpture in the roundabout on Queensgate that is constructed of wood and metal is not proportional to the space it occupies.	12/27/2020 8:14 AM
91	The Queensgate roundabout	12/27/2020 7:59 AM
92	Round about metal structures on Queensgate. Both are totally out of scale and plain ugly. They also look dangerous.	12/26/2020 9:54 PM
93	Ones that make noise.	12/26/2020 7:20 PM
94	Not necessarily art, but the digital billboard on the side of the flash cube building. (I couldn't think of anything else).	12/26/2020 6:45 PM
95	Queensgate roundabout art... I do not understand or enjoy it	12/26/2020 6:37 PM
96	I'm so sick of salmon and grapes. It's lazy and trite.	12/26/2020 6:32 PM
97	Large metal red/white flowers in Kennewick roundabout on Ridgeline Dr.; colors clash with environment and shapes aren't natural; looks cartoonish.	12/26/2020 6:00 PM
98	The obscene artwork that was in the Pasco government buildings that had to be removed and then the artists sued because they felt they had a right to show obscene stuff to the public.	12/26/2020 5:48 PM
99	The wire features in the Queensgate roundabouts, that look half built, have no meaning, do not add to the landscape. They are a distraction and not an attraction.	12/26/2020 5:34 PM
100	The roundabouts at Queensgate are positively awful-not art, not aesthetically pleasing, and visually distracting in the worst possible way while driving. If the city spent any more than a few hundred dollars on these "sculptures", then we all got robbed.	12/26/2020 5:07 PM
101	Traffic circle at Queensgate and the highway. It's ugly and not a local artist.	12/26/2020 4:45 PM
102	Roundabout art. People should focus on driving and are often distracting and makes seeing cars harder.	12/26/2020 4:28 PM
103	Round a bouts.	12/26/2020 4:27 PM
104	Interpretive art in roundabouts. Interpretive art should be pondered on. Round about art should be distinct and simple.	12/26/2020 4:24 PM
105	Modern sculptures that look like the left-overs from a building being torn down. I think we almost had one of those near the dock at Howard Amon Park before it was stopped for being ugly.	12/26/2020 4:03 PM
106	Vinyl - I believe it is not a true art form.	12/26/2020 3:50 PM
107	The rings outside of hampton inn area along the trail. It's just a dumb sculpture.	12/26/2020 2:37 PM
108	The roundabouts on Queensgate are a miss.	12/26/2020 2:05 PM

109	Roundabout art on Queensgate; Any installations that are not maintained (example roundabout art/landscaping in Kennewick near mall, weeds always growing in the roundabouts).	12/26/2020 2:04 PM
110	Far out or extremely progressive but useless structures.	12/26/2020 1:54 PM
111	The weird stuff in the queensgate roundabout. Does not make sense.	12/26/2020 1:40 PM
112	Roundabouts, pure ugly.	12/26/2020 1:39 PM
113	Murals	12/26/2020 1:23 PM
114	I hate the art in circles/rotaries/roundabouts. Who has time to actually look at them when driving around? no one I know of unless the stop. It is a waste of money. Put some native low growing plants or rocks there instead.	12/26/2020 1:16 PM
115	Loud outdoor performances	12/26/2020 12:50 PM
116	Temporary public art. Invest public funds into permanent public art.	12/24/2020 2:09 PM
117	Roundabouts. I'd rather have zero scaping or sage brush.	12/23/2020 1:25 PM
118	roundabout at Queensgate	12/23/2020 6:39 AM
119	The red sculpture and the round orb sculpture in John Dam Plaza.	12/21/2020 8:56 AM
120	The ugly metal tree at the round about at the parkway. The real tree gave so much more shade and it was so beautiful. I propose we move the one that's there now somewhere else and put in a big real tree back again.	12/19/2020 10:26 PM
121	Can't think of anything in particular	12/18/2020 7:42 PM
122	Round about on Queensgate	12/17/2020 4:00 PM
123	The art at the roundabouts at Queensgate Drive and Columbia Park Trail... unimaginative and disproportionate for the size of the roundabouts and boring	12/17/2020 1:01 PM
124	The "Fountain of Music" or whatever the 'name' is for the mangled rebar that resides on Queensgate drive. The two tones of gravel laid look unlevel, and the steel sculpture is odd, very odd. I believe the height of it also blocks the view of the oncoming traffic on the other side of the roundabout. I am filling this out because of it. I would really appreciate taking it down and lowering the height of the gravel and placing some kind of concrete or painted steel object in the middle to secure the safety of the roundabout that is something closer to reality, not a stretch of rebar and call it a fountain when it is junk. Thank you.	12/17/2020 10:09 AM
125	I can't really think of any- I guess anything that is broken or damaged and left makes the town look old and battered.	12/17/2020 8:06 AM
126	Queensgate roundabouts	12/17/2020 7:51 AM
127	Round about art can be cool but most of the time it is too abstract and ours in Richland are like this. I don't like to look and wonder and guess what something is while driving. I want to know what it is and appreciate it.	12/17/2020 7:49 AM
128	Abstract art making a statement but nobody knows what it is	12/17/2020 7:43 AM
129	Performing arts are largely inaccessible to low income families here. We also do little to engage minority youth from the surrounding area in culturally responsive performing arts	12/17/2020 5:03 AM
130	The "why is this even here" statues. Downtown Kennewick is a good example of this; there's a different sculpture on every crossway, but they're not cohesive! Also, I'm not a fan of local art that doesn't come from local denizens. If there are no local artists, it's understandable, but local public art should support local artists!	12/17/2020 1:37 AM
131	Round about Art, especially in Richland has been too contemporary.	12/16/2020 9:12 AM
132	I very much dislike the artwork in the roundabouts at the Queensgate exit.	12/15/2020 9:40 PM
133	Ignoring local input about public art	12/14/2020 4:50 PM
134	The Queensgate Roundabouts, especially the one closest to Walmart is ugly in the extreme. The other one is sort of ugly. I certainly hope no one was paid for those atrocities. Removing	12/12/2020 12:05 PM

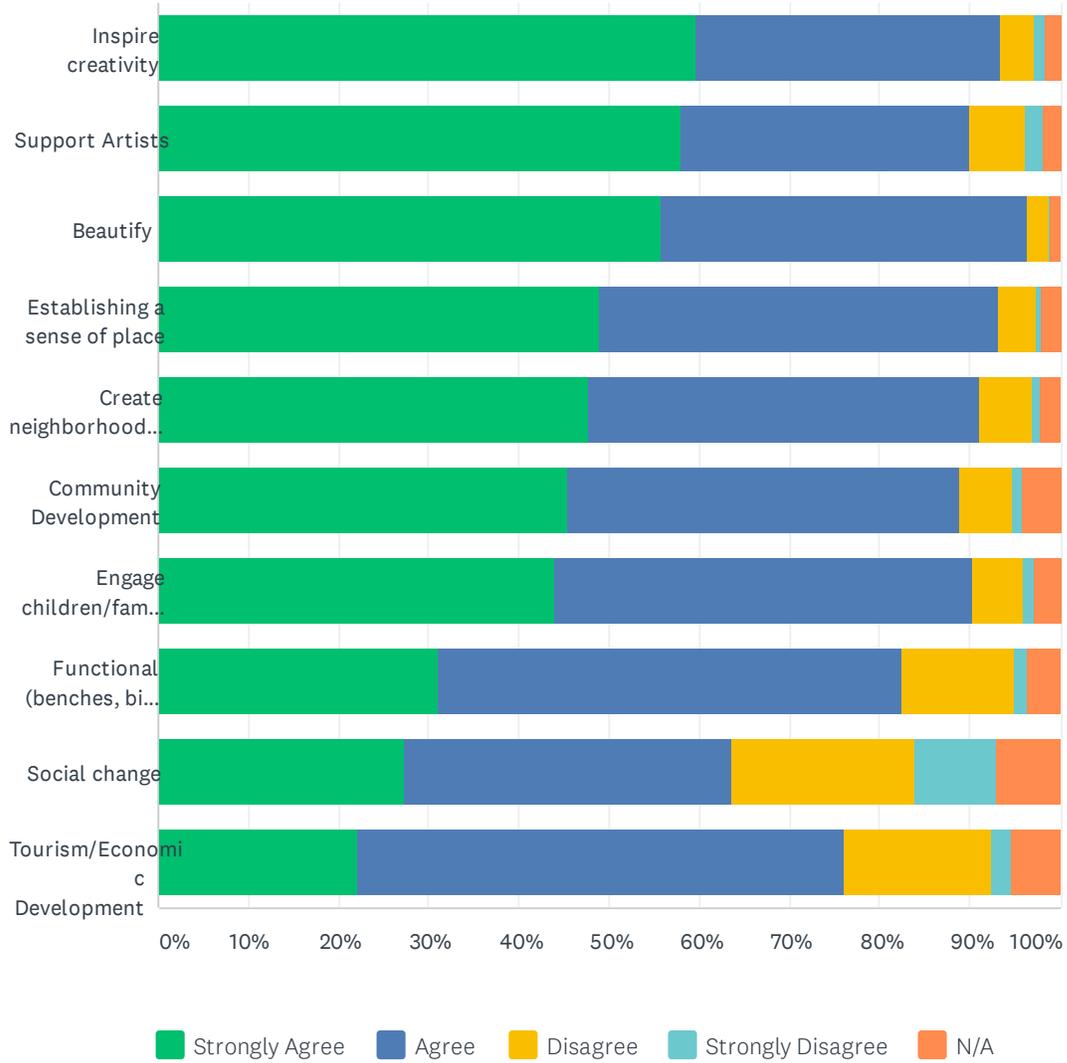

them, especially the short one, would be a great improvement. I have heard only negative comments about them, especially the short one!

135	Tiny Art on Round A Bout on Queensgate	12/11/2020 9:35 AM
136	Everything they put in the round abouts is hideous! Funny acorns and dirt devils look like metal garbage.	12/8/2020 2:43 PM
137	The metal fish sculpture on the Queensgate roundabout is somewhat tacky and distracting.	12/8/2020 10:10 AM
138	the art in the two Queensgate roundabouts is SO BAD. I am appalled every time I drive past it. I am disappointed in how unappealing it is, how much it cost and it didn't even support a local artist. Sell it back to Portland and install something aesthetically pleasing, please.	12/7/2020 6:59 PM
139	Some of our traffic circle sculptures are evocative of a barrel of farm tools We need to keep our eyes on traffic and road anyway.	12/7/2020 4:10 PM
140	The two roundabouts at Queensgate are embarrassing. It's an entrance point to the City and the first impression to my out of town friends. Nothing would be better.	12/7/2020 8:27 AM
141	Mimes. They're creepy.	12/6/2020 4:50 PM
142	The round about close to the wineries. It looks like an internal organ	12/5/2020 12:42 PM
143	Art that would destroy natural areas of beauty rather than enhance it	12/4/2020 7:58 PM
144	Broken pipe in front of the new City Hall. I kept thinking "When are they going to fix that pipe?" Somebody told me later "that's Art". Are you kidding me??	12/4/2020 3:33 PM
145	Murals on sides of buildings!!!	12/4/2020 11:23 AM
146	Scrap metal in a round about	12/4/2020 11:00 AM
147	The stuff in the roundabouts is invariably truly ugly.	12/4/2020 10:52 AM
148	While I love roundabout sculptures, the grapes missed the mark.	12/4/2020 8:18 AM
149	The art in the roundabout on queensgate, it just looks like a bunch of metal scattered about, plus the artist isn't local which is not acceptable. Richland needs to support local artists.	12/4/2020 6:13 AM
150	Too much, too busy, too far from nature (if outdoors)	12/4/2020 2:46 AM
151	The roundabouts at Queensgate an Columbia part trail and the freeway. They just look like metal junk. They'd be great in a place where they are st against greenery and you can see them up close v	12/3/2020 9:37 PM
152	any random art sculptures that are stagnate and do not allow human interaction like touching, going through, climbing on. It must inspire the person in through action. Make it a big name artist.	12/3/2020 8:06 PM
153	We have always wondered about the queensgate round-about art. It looks like someone took tin snips to some aluminum sheeting and had a craft day project created for the round-about.	12/3/2020 7:32 PM
154	Roundabout stupidity. What the hell is that thing on queensgate supposed to be. Is that the best we could do?	12/3/2020 5:31 PM
155	The roundabouts near queensgate are hideous.	12/3/2020 5:23 PM
156	Vinyl box wrappings in Kennewick. The idea is certainly a positive one but is implicated poorly by being heavily constraining to the artist in terms of theme, forcing boring and uninspired pieces.	12/3/2020 4:59 PM
157	Traffic circles-I just don't have the opportunity to see or discuss with others because of the brief and mostly inaccessible nature of traffic circles	12/3/2020 4:40 PM
158	Round about art - I really want the other drivers paying attention to driving and NOT looking at art.	12/3/2020 4:38 PM
159	Some of the round abouts that are hard to see while driving (Queens gate ones are too small and hard to see details)	12/3/2020 4:10 PM
160	Queensgate roundabout	12/3/2020 3:42 PM

161	Richland's roundabouts in Queensgate has more crosswalk signage than necessary. It's filled with crosswalk signage and hardly anyone uses that. It's ridiculous how much crosswalk signage is there, you can see it from the top of Badger. And the roundabout art is tacky!	12/3/2020 2:25 PM
162	Abstract art in roundabouts. Yuk!	12/3/2020 2:19 PM
163	Art placed in roundabouts. I barely notice when the art installed in the Queensgate roundabout.	12/3/2020 1:47 PM
164	The "artwork" at the Queensgate roundabout looks like scrap metal. The fact that a local artist didn't make it is also very disappointing!	12/3/2020 1:01 PM
165	The Sacajawea sculpture at the Y in Richland.	12/3/2020 11:54 AM
166	The Bear at the uptown. It makes no sense for the area we're in.	12/3/2020 11:43 AM
167	Round about art	12/3/2020 11:25 AM
168	The queensgate roundabouts are atrocious and a slap in the face to local artists.	12/3/2020 11:02 AM
169	I hate when there is art in the round about that has a lot of planning going in and no maintenance. It begins to look worn and ragged, weeds growing everywhere, garbage...I realize they get used and it's a safety issue to perform maintenance given the traffic but this really needs to be considered before spending funds there.	12/3/2020 10:44 AM
170	In round abouts. Blocks view	12/3/2020 10:35 AM
171	Do not like sculptures at Queensgate roundabouts. Also do not like when art installations are put in place, but then are not maintained or landscaped around them.	12/3/2020 10:21 AM
172	Sweaters on trees	12/3/2020 10:16 AM
173	The art placed in the round-a-bouts on Queensgate are poor...especially the one that is supposed to represent our wine industry. Looks like something out of a grade school art project.	12/3/2020 10:09 AM
174	Bronze realistic sculptures	12/3/2020 9:58 AM
175	182/Queensgate Dr. roundabouts	12/3/2020 9:48 AM
176	Roundabout art in Queensgate area. Way too small for the space and it just looks like trash.	12/3/2020 9:42 AM
177	I really enjoy all public art. The only thing that makes me sad is when it is not maintained.	12/3/2020 8:59 AM
178	Anything in a roundabout. The worst is the queensgate/duportail arrs roundabout. What are those, gears?	12/3/2020 6:15 AM
179	Historic markers, as noted on the Facebook page. Particularly those which honor white supremacists and traitors to America.	12/3/2020 5:41 AM
180	The "art" in the new roundabouts up by queens gate look like scrap/random junk. I was very disappointed to see them placed there.	12/3/2020 5:40 AM
181	Least favorite-when art is so abstract that it's confusing and there's no explanation about why it's made the way it is close to where it is placed.	12/3/2020 12:58 AM
182	The art on Queensgate round about. It looks unfinished. When you live in the area & don't know what it represents, I'm not sure the art presents well.	12/2/2020 8:29 PM
183	The mural on Vinnie's Bakery in Pasco where the city ordinance declared it "too large" and ordered it painted over. Not the fault of the art, the fault of the city for having no accommodation for art.	12/2/2020 8:23 PM
184	The Queensgate round-about sculptures/debris	12/2/2020 7:34 PM
185	Abstract art is unappealing	12/2/2020 6:52 PM
186	I'm sorry to say this, but I really dislike the art in the roundabout on Queensgate. While driving, it looks like barbed wire on fence posts. I'm not even sure what it's supposed to be. In contrast, the roundabout art at the Parkway is colorful and beautiful.	12/2/2020 5:28 PM

2	Around most entrances and exits, helps pull in tourists and rises the sentimental value to the people who have lived her there whole life.	1/14/2021 1:45 PM
3	It would be great if it's placement added foot traffic to retail business and restaurants, like art in the parkway and the uptown does. Adding foot traffic to the GWW Columbia point intersection isn't a good thing.	1/13/2021 9:02 PM
4	What is monumental/ iconic? In what way?	1/13/2021 7:28 AM
5	With large installments, theres the opportunity to also give back to the environment or to make it interactive for the community	1/12/2021 2:02 PM
6	I think it would have to be really big though. I kind of like the idea of having a HUGE statue. And I mean it when I say huge. It would draw in a lot of visitors and would "put us on the map" so to speak.	1/12/2021 9:18 AM
7	"Need" and "large" are more subjective than some art	1/7/2021 2:13 PM

11	Most important aspect in siting is the art itself.	12/28/2020 5:19 PM
12	If it is feasable, place it somewhere where it would be less likely to be vandalized. We really should focus on employing and giving a purpose to local artists.	12/28/2020 10:20 AM
13	Seriously, you want to attach a big public art piece to a place nobody wants to go? Keep public art accessible by the public.	12/27/2020 5:13 PM

18	I'd rather see many small pieces than invest in one large piece	12/22/2020 12:27 PM
19	Parks or plazas are probably better locations than near a city building or facility - maybe the Community center. There should be public art space IN city buildings Rotating / changing displays loaned by artists or from the state or perhaps museums have loaner programs.	12/18/2020 7:42 PM
20	Art at one of the gateway places specified doesn't seem like it would let people interact with it. That is more branding than art.	12/6/2020 4:50 PM

6	I personally don't mind having taxes be put towards the arts, but also understand why others may feel differently. So I also believe the private sector should play a big role in funding.	12/28/2020 4:37 PM
7	I have no idea. This is all new to me.	12/27/2020 7:00 PM

9	Should have a percentage of private and public money.	12/26/2020 4:24 PM
10	Art is important. It should be supported with public funding as it enriches communitis. I didn't rank tourism as a reason to have art. That may be 'icing' if it does. But the interest and pleasure of our residents shoudl be the primary reason to pay for and promote the arts.	12/18/2020 7:42 PM

14	We all know there is a pandemic. We don't know how long it will continue. But, please, help us find a way to showcase local artists and bring them business and exposure again. 16	I think that murals done by painters from all ages should be done to show that no matter the age you can enjoy painting. I also think that there should be more art galleries for people to submit their art into no matter if its a sculpture, a canvas painting, or digital art. Art galleries that are free to go to and easy to enter in would be an amazing thing for artists who want to make some extra money on the side or for their full-time job.	1/13/2021 4:03 PM
17	an art show would be a great start for all ages young and old.	1/13/2021 2:29 PM

31	Please work to make opportunities for local artists to beautify our community less exclusive.	1/12/2021 11:30 PM
32	I'd like to see art the creates an interaction with the environment in a positive way (similar to organs on ocean beaches that are played by water waves) and art that celebrates diversity	1/12/2021 8:43 PM
33	Embrace all cultures and contributions.	1/12/2021 8:27 PM
34	Would love to see a regular rotation of local artists easily able to perform or display and sell their works in a public venue. Something similar to the farmers market, but art/music performance.	1/12/2021 7:51 PM
35	Te union and inclusion o the other two cities, Kennewick and pasco, more importantly take a new vision for art and artist.	1/12/2021 2:36 PM
36	Stop wasting money on bad art.	1/12/2021 2:05 PM
37	We should work with local schools, in a fundraiser where students are encouraged to create and showcase their work. Winners would be offered a chance to add their art to the community.	1/12/2021 2:05 PM
38	Encouraging graffiti / mural walls on private buildings through grants, etc.	1/12/2021 1:37 PM

46	We need a decent place to show films. As the last President of the Tricity Film Club, losing the auditorium at Battelle was major blow to our club and impacted our ability to show films. We tried at the library but it was very difficult due to library hours, having to set up chairs before and take down, etc. We also need sponsored studio space where we can have artists of a wide variety take up "artist in residence" type blocks of time for anywhere from 1 to 6 months or longer. People could visit these studios, see art making in action, and we could have artists offer workshops and classes as well. There are so many talented artists in sculpture, glass, metal work, jewelry design and manufacture, watercolor, oil and acrylic and all sorts of mixed media. Artists in performance , theater and dance could also do productions and workshops and classes. Artists could then develop a piece of community art to mark their time as an artist in residence, either as a permanent installation or performance or film.	1/10/2021 2:10 AM
47	Thank you :)	1/9/2021 8:10 AM
48	Let the people see specific art proposals. Let them weigh in on which pieces they want and where.	1/8/2021 9:38 PM
49	Advertising to the local artists so they have the opportunity to be seen.	1/8/2021 10:08 AM
50	It would be awesome to support local youth artists or art students from local schools in some way (if we don't already?)	1/8/2021 9:20 AM
51	Educate the community with a multifaceted approach. Give them access to art in small low-risk manners and teach how to view and process the arts. Public forums and art campaigns connected to the schools and other organizations to create and foster an art Consuming, art embracing generation.	1/7/2021 9:47 PM
52	Further pursue the establishment of a state sanctioned creative district securing signage from DOT funneling people off the highway who are driving from Seattle and Portland on their way to Walla Walla.	1/7/2021 6:36 PM

60	Please make sure that a diverse group of people are included in this process.	12/29/2020 8:07 AM
61	I think that public art is great and I think that the city has a few great examples of public art, I think that it is easy as a resident to have existing works fade into the background, figuring out a new way to highlight existing art while growing the collection would be a benefit to the community.	12/28/2020 5:16 PM
62	I would love to see the Plan look forward- the future of Richland and being intentional with art. It seems a bit scattered and randomly pieced together at this point. I think some fresh visions of our art are needed and maybe looking at economic development plans to determine placement, vision, and how they can work WITH the art and not feel pieced together. (I think Boost Builds has been doing a great job at this with commercial development and their ideas.)	12/28/2020 4:37 PM
63	Make the Public Facility District what it should be: supporting all kinds of public art.	12/28/2020 12:09 PM
64	Fundraising events utilizing our strengths such as wine tasting with local wineries, better use of the river front for ways to make revenue not just families having picnics. Ie food vendors etc.	12/28/2020 11:31 AM
65	Like I mentioned above... a new park (garden) like Manito Park in Spokane would be awesome in a place where there would be less vandalism, lots of light, and safe for families to visit. Could be a money maker. Incorporate little bridges and a band stand like the one in Pioneer park in Walla Walla.	12/28/2020 10:20 AM
66	I love the statues and art in old town Puyallup. I think they are a good example of city art. I love a bit of whimsy, especially in gardens.	12/27/2020 8:52 PM
67	All art should be created by local artists	12/27/2020 8:06 PM
68	In the early 2000's (Sorry I do not have the date) a study was contracted by the City of Richland to evaluate options for improving the livability of the city. One of the top recommendations was to build a performing arts center. Suggest revisiting the study. Interest in performing arts and arts in general has only grown since then.	12/27/2020 7:56 PM

72	Please fund art that is not just bare metal things like the rusty fountain pipe and the bare metal abstract sculptures.	12/27/2020 2:19 PM
73	Work with the Diversity and Inclusivity Commission to ensure the art best reflects the people that live here.	12/27/2020 11:17 AM
74	As mentioned building permits should require art to be a part of projects. Subdivisions that are planned should have public space including art be it a garden or structure. The richland library sac could post notices of art classes for all ages.	12/26/2020 9:54 PM
75	The art should be accessible not in city hall or limited access spaces.	12/26/2020 7:20 PM

78	Contact arts educators across the Tri-Cities for input. Also possibly contacts, student contributions, professional skills, etc.	12/26/2020 6:00 PM
79	Art that is displayed for the city of Richland should not be obscene, political, offensive, sexual. We are a family community and the artwork should be appropriate for all ages.	12/26/2020 5:48 PM
80	Interactive and educational are pieces serve the community best.	12/26/2020 5:34 PM
81	Use local artists to help design, paint, sculpt. We should have them from various artist types and ages	12/26/2020 5:08 PM
82	Please reimagine the roundabouts at Queensgate-they're terrible eyesores and not art.	12/26/2020 5:07 PM
83	Ask artists	12/26/2020 4:45 PM
84	Public art should appeal to general population. Do not let a small group of elite artists decide on art to "educate the unwashed masses." It should be there for everyone to enjoy.	12/26/2020 4:03 PM
85	Get rid of handicap scoring for selecting public art. Just because someone had an installation shouldn't put new artists 10-20 points behind because they're trying for their first installation. Give local artists (Columbia Basin) preference points.	12/26/2020 4:02 PM
86	Please reach out to your non profit community art organizations such as allied arts and confluent space. They have amazing inspiration and people willing to make Richland a better place for everyone through art and education.	12/26/2020 2:37 PM
87	Don't listen to the critics. We need art.	12/26/2020 2:05 PM
88	Provide more info to community and solicit again.	12/26/2020 1:54 PM
89	How about low income and or homeless shelters instead.	12/26/2020 1:39 PM
90	Won't matter what people say, they will continue to spend money on 'art' that makes no sense or purpose other than money for whoever made it.	12/26/2020 1:16 PM
91	Look to the Kennewick Arts Commission as a good example. What the City of Richland did with the art in the Duportail roundabouts was a complete waste of money and a joke to many residents. They should be redone with more oversight.	12/24/2020 2:09 PM
92	WE MUST HAVE A PERFORMING ARTS VENUE	12/23/2020 9:29 PM
93	Sculpture garden or using landscaping as art. Think: <a href="https://my.spokanecity.org/parks/major/manito/">https://my.spokanecity.org/parks/major/manito/</a>	12/23/2020 1:25 PM
94	We need a Performing Art Center!	12/23/2020 6:39 AM
95	A unified location to host music, performance art, exhibits	12/22/2020 2:10 PM
96	Work in concert with the Parks and Rec crew. I would love to see more art everywhere. Some ideas, the power of art and symbol. For example, the pride people take in the atom bomb role at Hanford (e.g., the mushroom cloud of Richland High school), but also how offensive that is to others (I taught English in Japan for two years and am a bit appalled by it). I understand both sides, but I think it could be an interesting event to discuss what that symbol (and a bunch of others from those days) means to different groups of people. Could to see it from both sides. I think more science as art (leveraging some of the awesome PNNL "Science as Art" entries). I live the library art stuff! Fantastic. Are there other areas where exhibits like that could exist?	12/21/2020 7:14 PM
97	Develop an Arts and Entertainment and Education area, with restaurants and lodging nearby, good transportation access, and tie in public art to integrate with that and/or be present there. Perhaps near The Reach. Perhaps in the city core. Step up Richland's game in our quality of life and attractiveness to conventions and appeal to people to live here.	12/21/2020 6:51 PM
98	The public art pieces should be of the highest exquisite extraordinary quality, creatively depicting understandable regional relationships with the area or its people. The art should stand out as special and not be placed on every street corner. It should not create clutter anywhere. It should enhance the community.	12/21/2020 8:56 AM
99	I would love to attend a meeting, I have ideas. I am one of the Ricland High School	12/19/2020 10:26 PM

	ArtTeachers and a professional artist.	
100	It would be nice if Richland had neighborhoods like Seattle, Portland or Boise, and if the city and arts commission worked within the neighborhoods to create a unifying character within that district.	12/18/2020 7:42 PM
101	Having an art competition for high school and college students with the community voting for the winners. The money set aside for the art would go back into these art programs to support them (this could include welding, etc as well)	12/17/2020 7:43 AM
102	I believe that people want to see art, they want to experience it (visual, tactile, etc.), and they want it to feel relevant to them. Public art showcases the flavor of an area! I hope the arts commission will fund new pieces with this in mind instead of the tired "Welp, we have the budget for a statue, so I guess we should put one somewhere. Maybe a bunch of grapes or something."	12/17/2020 1:37 AM
103	Surveys of regional metropolitan communities (Greater Seattle, Portland, Spokane) and why people in those communities either visit Richland or why not? Where do they go (Walla Walla?), why not here?	12/16/2020 12:36 PM
104	Plan infrastructure around arts or vice versa. Integrate civil engineering with artistic considerations at an early phase of development.	12/14/2020 11:58 PM
105	years ago we hung our art work in Richland city Hall and now we can't even hang art work in the Community Center or the room where the Arts Commission meets. The excuses for this are absolutely inane.	12/14/2020 4:50 PM
106	Make sure you make good use of taxpayers' monies. Junk like at the Queensgate roundabout is not a good use of taxpayer money.	12/12/2020 12:05 PM
107	No more ugly round a bout art.	12/11/2020 9:35 AM
108	N/a	12/8/2020 2:43 PM
109	Place art in prominent city locations where a majority of citizens are sure to see it (City Hall, Library, KADLEC, parks, Uptown, GWW, Jadwin, Queensgate, Duportail (street and bridge), Welsian Way, Lee, Hanford, PNNL, etc. Also, pop-up events like the mini magazine (zine) sale Adventures Underground hosted a few years ago (Ask them about it). I also liked a hand drum installation at a park in Vancouver I visited awhile back. More funky stuff like a bar I used to go to was in a basement level and all the big metal plumbing pipes were painted with faces: McMenamins Grand Lodge in Forest Grove, OR, <a href="http://www.brianbailey.us/blog/mcmenamins-grand-lodge/">http://www.brianbailey.us/blog/mcmenamins-grand-lodge/</a>	12/8/2020 10:10 AM
110	Right now we should have rotating exhibits by local artists in public buildings.	12/7/2020 4:10 PM
111	A strong arts community is something that is attractive to new residents, businesses, and visitors. The arts communicate a sense of place and personality.	12/6/2020 4:50 PM
112	Please art celebrating science and history but not celebrating the atomic bomb, too intertwined with the deaths that it caused. I feel strongly that Richland needs a memorial to those killed by the bombs or other art reflecting the sadness that goes along with the great scientific progress that was made here	12/6/2020 12:18 AM
113	Build a performing arts center	12/5/2020 3:57 PM
114	I would love if the vinyl wraps for utility boxes around the city were themed around vintage photos from the Tri-Cities. Double points if the photo is of the same location the utility box is located!	12/5/2020 1:07 PM
115	Provide several places to display art completed by various school students	12/4/2020 7:58 PM
116	This survey is an excellent first step. Find out what percentage of the residents want to see more Art; and what percentage of the residents would prefer to see their tax dollars go to investments that actually have some utility and/or benefit to the residents.	12/4/2020 3:33 PM

120	Stop putting sculpture in the roundabouts...use beautiful landscaping instead	12/4/2020 6:41 AM
121	This area has plenty of money for something so important to the community.	12/3/2020 8:56 PM
122	We should contact Karen Bubb in Boise Idaho and learn from Boise Idaho's successful and challenging public art projects	12/3/2020 4:40 PM
123	Before plans are finalized public opinion should be sought. I do not understand how the red sculpture ever ended up in John Dam Park. I consider it a bit of an eyesore.	12/3/2020 4:22 PM
124	Can't think of any	12/3/2020 4:10 PM
125	Look at local artists and get bids for several different types of art. And let the people vote!	12/3/2020 3:42 PM
126	I'll give it more thought and reach out to the Arts Commission	12/3/2020 2:25 PM
127	Update public parks facilities (bathrooms, shade structures) in the name of art.	12/3/2020 2:19 PM
128	You're doing a good job.	12/3/2020 11:54 AM
129	nope	12/3/2020 11:02 AM
130	Please don't put art in areas where drunk persons frequent or it's easily accessible to drunk persons. They almost always get destroyed!	12/3/2020 10:44 AM
131	None	12/3/2020 10:35 AM
132	Factor in maintenance plan/costs for any public installations. Do not like that for example city of Kennewick has weeds growing around their roundabout art in some places. Or for example, if flower planters are put in place, will they be maintained?	12/3/2020 10:21 AM
133	This is a economic development tool we should using. Every great city has thriving arts.	12/3/2020 9:58 AM
134	If something is already beautiful - don't wreck it with something that sticks out like a sore thumb.	12/3/2020 9:57 AM
135	Combine art with other projects, like a waterpark on Bombing range or other parks	12/3/2020 9:48 AM
136	The bike trails have been getting used more during quarantine. It would be nice to see more garbage cans along the trail to curb the pollution and more beautifying along the trail. There are certain areas that are lovely, followed by areas that haven't had anything but the trail installed.	12/3/2020 8:59 AM
137	More ways to enjoy art in our community with temperature controlled places (like a theater/performing arts center) that's not at a school.	12/3/2020 12:58 AM
138	A performing arts center located at the old city hall site would be a great investment!	12/3/2020 12:51 AM
139	Richland needs a percent-for-the-arts ordinance that actually generates funds. The first such ordinance was so narrowly written that no money was ever generated and the city removed it from the books. Elect a council that gives a damn about the need for art in the community.	12/2/2020 8:23 PM
140	It would have been nice to be notified that I was not selected for the commission. Poor communication is a problem. Also, consider having high school or university students create future projects.	12/2/2020 7:34 PM
141	I would like to see more art that sparks a critical debate about our history.	12/2/2020 5:52 PM
142	Please continue to support community festivals/music like Tumbleweed, Alive at Five, and the fall and holiday festivals.	12/2/2020 5:28 PM
