ARTICLE 2

FINDINGS AND DETERMINATIONS; PLAN OF ADDITIONS

Section 2.01 Findings and Determinations. The City takes note of the following facts and makes the following findings and determinations:

(a) *Electric Utility; Previously Issued Parity Bonds*. The City now owns and operates the Electric Utility. Pursuant to Ordinance No. 17-85, the City issued and sold its Electric Revenue Refunding Bonds, 1985 (the “1985 Bonds”) all of which have been paid and retired. In Ordinance No. 17-85, the City reserved the right to issue additional electric revenue bonds having a lien and charge on the Net Revenue of the Electric Utility on a parity with the lien and charge upon such Net Revenue of the 1985 Bonds for the payment of principal thereof and interest thereon, if that certain Parity Bond Test

(established in Ordinance No. 17-85 and as subsequently set forth in ordinances authorizing the issuance of additional Parity Bonds) is satisfied.

(b) *Plan of Additions.* The City is in need of funds with which to finance the Plan of Additions, the estimated aggregate cost of which is more than \$20,000,000, and the City does not have available sufficient funds to pay the costs. The life of the improvements comprising the Plan of Additions is declared to be at least 25 years.

(c) *Sufficiency of Gross Revenue.* The City Council finds and determines that, if the conditions set forth in this Ordinance for the issuance of the Bonds are satisfied, the Gross Revenue of the Electric Utility will be sufficient, in the judgment of the City Council, to meet all Operation and Maintenance Expenses; to make all necessary repairs, replacements and renewals; and to permit the setting aside from Gross Revenue into the Bond Fund of such amounts as may be required to pay the principal of and interest on the Outstanding Parity Bonds and the Bonds as the same become due. The City Council declares that in fixing the amounts to be paid into the Bond Fund it has exercised due regard for the cost of maintenance and operation of the Electric Utility and the debt service requirements of the Outstanding Parity Bonds, and that it has not obligated the City to set aside and pay into the Bond Fund a greater amount of the Gross Revenue of the Electric Utility than in its judgment will be available for such purpose.

(d) *Satisfaction of Parity Bond Test.* As a condition of the issuance of the Bonds authorized herein, the City Council directs the Designated Representative to determine that all conditions set forth in the Parity Bond Test (as those conditions are set forth in the ordinances authorizing the Outstanding Parity Bonds) have been met and satisfied before the Bonds may be issued and delivered to the Purchaser.

(e) *Issuance of Bonds.* Based on the foregoing, the City Council finds that it is in the best interest of the City to issue and sell the Bonds in one or more Series to the respective Purchasers of each Series in a competitive or negotiated sale, pursuant to the terms set forth in the Bond Purchase Contract as approved by the City's Designated Representative consistent with this Ordinance.

Section 2.02 Adoption of Plan of Additions. The City specifies, adopts and orders the carrying out of the projects described in Exhibit C as a system or plan of additions and betterments to and extensions of the Electric Utility. The Plan of Additions shall be carried out in accordance with the plans and specifications therefor prepared by the City's engineers and consulting engineers. The City Council may modify the details of the Plan of Additions where in its judgment it appears advisable, if such modifications do not substantially alter the purpose of such system or plan. The cost of the Plan of Additions, including the cost of issuance and sale of the Bonds, shall be paid from the proceeds of the Bonds and from other money available to the Electric Utility.

ARTICLE 3 AUTHORIZATION AND ISSUANCE OF BONDS

Section 3.01 Purpose and Authorization of Bonds. For the purpose of providing funds with which: (a) to pay a portion of the cost of the Plan of Additions; (b) to satisfy the Reserve Requirement (if necessary); and (c) to pay the costs of issuance of the Bonds,

the City shall issue and sell its electric revenue bonds in one or more Series in an aggregate principal amount not to exceed \$7,800,000.

Section 3.02 Designated Representative; Description of the Bonds. The Finance Director is appointed as the Designated Representative of the City and is authorized and directed to conduct the sale of the Bonds in the manner and upon the terms deemed most advantageous to the City, and to approve the Bond Sale Terms for the Bonds, with such additional terms and covenants as the Designated Representative deems advisable, within the parameters set forth in Exhibit A, which is attached to this Ordinance and incorporated by this reference.

Section 3.03 Parity Certificate. At the time of issuance of the Bonds, the Designated Representative shall cause to be executed and have on file a certificate of coverage as required under the Parity Bond Test.

Section 3.04 Form and Execution of Bonds.

(a) *Form of Bonds; Signatures and Seal*. Each Bond shall be prepared in a form consistent with the provisions of this Ordinance and State law. Each Bond shall be signed by the Mayor and the City Clerk, either or both of whose signatures may be manual or in facsimile, and the seal of the City or a facsimile reproduction thereof shall be impressed or printed thereon. If any officer whose manual or facsimile signature appears on a Bond ceases to be an officer of the City authorized to sign bonds before the Bond bearing his or her manual or facsimile signature is authenticated by the Bond Registrar, or issued or delivered by the City, that Bond nevertheless may be authenticated, issued and delivered and, when authenticated, issued and delivered, shall be as binding on the City as though that person had continued to be an officer of the City authorized to sign bonds. Any Bond also may be signed on behalf of the City by any person who, on the actual date of signing of the Bond, is an officer of the City authorized to sign bonds, although he or she did not hold the required office on its Issue Date.

(b) *Authentication*. Only a Bond bearing a Certificate of Authentication in substantially the following form, manually signed by the Bond Registrar, shall be valid or obligatory for any purpose or entitled to the benefits of this Ordinance: "Certificate of Authentication: This Bond is one of the fully registered City of Richland, Washington, Electric Utility Revenue Bonds, [Name of Series]." The authorized signing of a Certificate of Authentication shall be conclusive evidence that the Bond so authenticated has been duly executed, authenticated and delivered and is entitled to the benefits of this Ordinance.

Section 3.05 Bond Registrar; Registration and Transfer of Bonds.

(a) *Registration of Bonds; Bond Registrar*. The Bonds shall be issued only in registered form as to both principal and interest and shall be recorded on the Bond Register. The Fiscal Agent is appointed to act as Bond Registrar for each Series of the Bonds, unless otherwise determined by the Designated Representative.

(b) *Transfer and Exchange of Bonds*. The Bond Registrar shall keep, or cause to be kept, sufficient books for the registration and transfer of the Bonds, which shall be

open to inspection by the City at all times. The Bond Register shall contain the name and mailing address of the Registered Owner of each Bond and the principal amount and number of each of the Bonds held by each Registered Owner.

The Bond Registrar is authorized, on behalf of the City, to authenticate and deliver Bonds transferred or exchanged in accordance with the provisions of the Bonds and this Ordinance, to serve as the City's paying agent for the Bonds and to carry out all of the Bond Registrar's powers and duties under this Ordinance and the Registration Ordinance.

The Bond Registrar shall be responsible for its representations contained in the Bond Registrar's Certificate of Authentication on each Bond. The Bond Registrar may become an Owner with the same rights it would have if it were not the Bond Registrar and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as members of, or in any other capacity with respect to, any committee formed to protect the rights of Owners.

A Bond surrendered to the Bond Registrar may be exchanged for a Bond or Bonds in any Authorized Denomination of an equal aggregate principal amount and of the same interest rate, Series and maturity. A Bond may be transferred only if endorsed in the manner provided thereon and surrendered to the Bond Registrar. Any exchange or transfer shall be without cost to the Owner or transferee. The Bond Registrar shall not be obligated to exchange any Bond or transfer registered ownership during the period between the applicable Record Date and the next upcoming interest payment or redemption date.

(c) *Securities Depository; Book-Entry Form.* Unless otherwise determined by the Designated Representative, the Bonds initially shall be issued and registered in Book-Entry Form. The Bonds so registered shall be held fully immobilized in Book-Entry Form by the Securities Depository in accordance with the provisions of the Letter of Representations. Registered ownership of a Bond initially held in Book-Entry Form, or any portion thereof, may not be transferred except: (i) to any successor Securities Depository; (ii) to any substitute Securities Depository appointed by the City or such substitute Securities Depository's successor; or (iii) to any person if the Bond is no longer held in Book-Entry Form. Upon the resignation of the Securities Depository from its functions as depository, or upon a determination by the Finance Director to discontinue utilizing the then-current Securities Depository, the Finance Director may appoint a substitute Securities Depository. If the Securities Depository resigns from its functions as depository and no substitute Securities Depository can be obtained, or if the Finance Director determines not to utilize a Securities Depository, then the Bonds shall no longer be held in Book-Entry Form and ownership may be transferred only as provided herein. Nothing herein shall prevent the Bond Sale Terms from providing that a Series of the Bonds shall be issued in certificated form without utilizing a Securities Depository, and that the Bonds of such Series shall be registered as of their Issue Date in the names of the Owners thereof, in which case ownership may be transferred only as provided herein. Neither the City nor the Bond Registrar shall have any responsibility or obligation to participants of the Securities Depository or the persons for whom they act as nominees with respect to the Bonds regarding the accuracy of any records maintained by the Securities Depository or its participants of any amount in respect of principal of or interest on the Bonds, or any notice which is permitted or required to be given to Registered

Owners hereunder (except such notice as is required to be given by the Bond Registrar to the Securities Depository).

(d) *Lost or Stolen Bonds.* In case any Bond shall be lost, stolen or destroyed, the Bond Registrar may authenticate and deliver a new bond or bonds of like amount, date, tenor, and effect to the Registered Owner(s) thereof upon the Registered Owner(s)' paying the expenses and charges of the City in connection therewith and upon filing with the Bond Registrar evidence satisfactory to the Bond Registrar that such bond or bonds were actually lost, stolen or destroyed and of Registered Ownership thereof, and upon furnishing the City with indemnity satisfactory to both.

ARTICLE 4 PAYMENT OF BONDS; REDEMPTION PROVISIONS

Section 4.01 Payment of Bonds; Failure to Pay.

(a) *Payment of Bonds.* Principal of and interest on each Bond shall be payable in lawful money of the United States of America on the dates and in the amounts provided in the Bond Purchase Agreement. Principal of and interest on each Bond shall be payable solely out of the Bond Fund. The Bonds shall not be general obligations of the City. No Bonds of any Series shall be subject to acceleration under any circumstances.

(b) *Bonds Held In Book-Entry Form.* Principal of and interest on each Bond held in Book-Entry Form is payable in the manner set forth in the Letter of Representations.

(c) *Bonds Not Held In Book-Entry Form.* Interest on each Bond not held in Book-Entry Form is payable by electronic transfer on the interest payment date, or by check or draft of the Bond Registrar mailed on the interest payment date to the Registered Owner at the address appearing on the Bond Register on the Record Date. However, the City is not required to make electronic transfers except pursuant to a request by a Registered Owner in writing received on or prior to the Record Date and at the sole expense of the Registered Owner. Principal of each Bond not held in Book-Entry Form is payable upon presentation and surrender (unless waived by the City) of the Bond by the Registered Owner to the Bond Registrar.

(d) *Failure To Pay Bonds.* If the principal of any Bond is not paid when the Bond is properly presented at its maturity or date fixed for redemption, the City shall be obligated to pay, solely from the sources pledged herein, interest on that Bond at the same rate provided in the Bond from and after its maturity or date fixed for redemption until that Bond, both principal and interest, is paid in full or until sufficient money for its payment in full is on deposit in the Bond Fund, or in a trust account established to refund or defease the Bond, and the Bond has been called for payment by giving notice of that call to the Registered Owner.

Section 4.02 Redemption and Purchase of Bonds.

(a) *Optional Redemption.* Any of the Bonds may be subject to redemption prior to their stated maturity dates at the option of the City at the times and on the terms set forth in the Bond Purchase Agreement.

(b) *Mandatory Redemption.* Any of the Bonds may be designated as Term Bonds, subject to mandatory redemption on the dates and in the amounts as set forth in the Bond Purchase Agreement. If not redeemed or purchased at the City's option prior to maturity, Term Bonds (if any) must be redeemed, at a price equal to one hundred percent of the principal amount to be redeemed, plus accrued interest, on the dates and in the years and amounts set forth in the Bond Purchase Agreement. If the City optionally redeems or purchases a Term Bond prior to maturity, the principal amount of that Term Bond that is so redeemed or purchased (irrespective of its redemption or purchase price) shall be credited against the remaining mandatory redemption requirements for that Term Bond in the manner as directed by the Finance Director. In the absence of direction by the Finance Director, credit shall be allocated to the remaining mandatory redemption requirements for that Term Bond on a *pro rata* basis.

(c) *Extraordinary Redemption.* Any of the Bonds may be subject to extraordinary optional or extraordinary mandatory redemption prior to maturity upon the occurrence of an extraordinary event at the prices, in the principal amounts, and on the dates, all as set forth in the Bond Purchase Agreement.

(d) *Purchase of Bonds.* The City reserves the right to purchase any or all of the Bonds available for purchase at any time at any price acceptable to the City plus accrued interest to the date of purchase.

(e) *Selection of Bonds for Redemption; Partial Redemption.* If fewer than all of the outstanding Bonds of any Series are to be redeemed at the option of the City, the Finance Director shall select the Series and maturity or maturities to be redeemed. If less than all of the principal amount of a maturity of the selected Series is to be redeemed, if such Series is held in Book-Entry Form, the portion of such maturity to be redeemed shall be selected for redemption by the Securities Depository in accordance with the Letter of Representations, and if the Series is not then held in Book-Entry Form, the portion of such maturity to be redeemed shall be selected by the Bond Registrar using such method of random selection as the Bond Registrar shall determine. All or a portion of the principal amount of any Bond that is to be redeemed may be redeemed in any applicable Authorized Denomination. If less than all of the outstanding principal amount of any Bond is redeemed, upon surrender of that Bond to the Bond Registrar there shall be issued to the Registered Owner, without charge, a new Bond (or Bonds, at the option of the Registered Owner) of the same Series, seniority, maturity, and interest rate in any Authorized Denomination in the aggregate principal amount to remain outstanding.

Section 4.01 Notice of Redemption; Rescission of Notice.

(a) *Notice of Redemption.* Unless otherwise set forth in the Bond Purchase Agreement, the City must cause notice of any intended redemption of Bonds to be given not less than 20 nor more than 60 days prior to the date fixed for redemption by first-class mail, postage prepaid, to the Registered Owner of any Bond to be redeemed at the address appearing on the Bond Register on the Record Date, and the requirements of this sentence shall be deemed to have been fulfilled when notice has been mailed as so provided, whether or not it is actually received by the Owner of any Bond. In addition, the redemption notice shall be mailed or sent electronically within the same period to the MSRB (if required under the Continuing Disclosure Agreement), to each Rating Agency,

and to such other persons and with such additional information as the Finance Director shall determine, but these additional mailings shall not be a condition precedent to the redemption of any Bond. Notwithstanding the foregoing, notice of redemption of any Bond held in Book-Entry Form shall be given in accordance with the Letter of Representations.

(b) *Rescission of Optional Redemption Notice.* In the case of an optional redemption or an extraordinary redemption, the notice of redemption may state that the City retains the right to rescind the redemption notice and the redemption by giving a notice of rescission to the affected Registered Owners at any time on or prior to the date fixed for redemption. Any notice of optional redemption that is so rescinded shall be of no effect, and each Bond for which a notice of redemption has been rescinded shall remain outstanding.

(c) *Effect of Redemption.* Interest on each Bond called for redemption shall cease to accrue on the date fixed for redemption, unless either the notice of optional redemption is rescinded as set forth above, or money sufficient to effect such redemption is not on deposit in the Bond Fund or in a trust account established to refund or defease the Bond.

ARTICLE 5 SECURITY FOR THE BONDS

Section 5.01 Security for the Bonds. The Bonds shall be designated as Parity Bonds and shall be a special limited obligation of the City payable from and secured solely by the Net Revenue of the Electric Utility and by money in the Principal and Interest Account of the Bond Fund. Each Series of the Bonds that is designated as Common Reserve Bonds is further secured by money in the Common Reserve Subaccounts. The Net Revenue is pledged to make the payments into the Bond Fund and the Reserve Account, if any, required by Section 5.02, which pledge shall constitute a lien and charge upon such Net Revenue prior and superior to all other charges whatsoever. Each Series of the Bonds designated as Parity Bonds shall be issued on parity with the Outstanding Parity Bonds and all Future Parity Bonds, without regard to date of issuance or authorization and without preference or priority of right or lien. The Bonds shall not constitute general obligations of the City, the State or any political subdivision of the State or a charge upon any general fund or upon any money or other property of the City, the State or any political subdivision of the State not specifically pledged by this Ordinance.

Section 5.02 Priority Expenditure of Gross Revenue; Flow of Funds. The City covenants and agrees with the owner of each Bond that it will deposit all Gross Revenue of the Electric Utility into the Electric Fund as collected, and will use, pay out and distribute the Gross Revenue of the Electric Utility in the following order of priority:

- (a) To pay Operation and Maintenance Expenses;
- (b) To meet the debt service requirements with respect to, first, the interest due on and, then, the principal of the Parity Bonds by making the required payments into the Principal and Interest Account;

(c) To make the required payments, if any, into the Common Reserve Subaccount (including amounts required to repay any draws upon a Reserve Security) and into any other account or subaccount in the Bond Fund; and

(d) For any of the following purposes, without priority: to meet the debt service requirements with respect to any Subordinate Bonds; to redeem and retire any then Outstanding electric revenue bonds or to purchase any or all of those bonds and obligations in the open market as provided in the ordinance authorizing their issuance; to make necessary betterments and replacements of or repairs, additions or extensions to the Electric Utility; to make deposits into the Rate Stabilization Account; or for any other lawful Electric Utility purpose.

Section 5.03 The Bond Fund.

(a) *Bond Fund Established.* The Bond Fund was created by the City pursuant to Ordinance No. 17-85 for the purpose of paying and securing the payment of principal of and interest on the Parity Bonds as the same becomes due and payable. The Bond Fund is divided into two subaccounts, the Principal and Interest Account and the Reserve Account. The Finance Director may create sinking fund subaccounts or other accounts or subaccounts in the Bond Fund for paying or securing the payment of Parity Bonds, as long as the maintenance of such subaccounts does not conflict with the rights of the owners of any Parity Bonds then Outstanding.

(b) *Principal and Interest Account.* The Parity Bonds, including the Bonds, are payable (including principal, mandatory redemption requirements, redemption premium, if any, and interest) out of the Principal and Interest Account.

(c) *The Reserve Account.* The Reserve Account has been previously created for the purpose of securing the payment of the principal of and interest on all Parity Bonds. Except for withdrawals authorized in this section, the money held in those subaccounts within the Reserve Account that is necessary to satisfy the respective Reserve Requirements for each series of Parity Bonds shall otherwise be held intact. Any deficiency created by reason of such a withdrawal shall be made up from the Net Revenue first available after making necessary provision for the required payments into the Principal and Interest Account. However, to the extent required under the applicable Reserve Security policy, the Reserve Insurer with respect to a Reserve Security that has been drawn upon shall be reimbursed first, before available cash is used to restore the remaining balance of the respective Reserve Requirements. Amounts on deposit in the Reserve Account (or any subaccount therein) that are determined to be in excess of the Reserve Requirement shall be deposited in the Principal and Interest Account or into a Rebate Account, to the extent required under the Code. The City reserves the right to substitute one or more Reserve Securities for money previously deposited in the Common Reserve Subaccount and to withdraw such excess as described in the preceding sentence.

(d) *Reserve Subaccounts.* The Reserve Requirement for the Bonds are provided for in subsection (e), below.

In the Ordinance authorizing the issuance of any series of Future Parity Bonds, the City shall: (1) determine whether such series is to be designated as a series of Common

Reserve Bonds or is to be secured by a standalone Reserve Subaccount or no reserve subaccount, ***provided that, until the First Parity Covenant Date, each such Reserve Subaccount shall be designated as a Common Reserve Subaccount and, thereafter, such Reserve Subaccount may either: (i) remain a Common Reserve Subaccount; or (ii) become a standalone reserve for which the applicable Reserve Requirement may then be recalculated, reduced or eliminated, as set forth in the relevant authorizing Ordinance;*** (2) establish the Reserve Requirement (if any) for that series of Future Parity Bonds, and (3) covenant to maintain such subaccounts within the Reserve Account as may be necessary to satisfy that future Reserve Requirement.

The Common Reserve Subaccounts shall ratably secure the Common Reserve Bonds. If the money in the Principal and Interest Account is insufficient to meet required payments of either interest on or principal of any Common Reserve Bonds, such deficiency shall be made up by the withdrawal of money (or proceeds of Reserve Securities, if available) from the Common Reserve Subaccounts. Any withdrawals from the Common Reserve Subaccounts shall be made on a *pro rata* basis, except when the terms of a Reserve Security require all cash and investments in the Common Reserve Subaccount to be withdrawn before any draw or claim is made on the Reserve Security, or unless the City receives an opinion of Bond Counsel to the effect that such *pro rata* withdrawal is not required to maintain the federal tax benefits (if any) of any then-Outstanding Common Reserve Bonds issued as tax-exempt Bonds or Tax Credit Subsidy Bonds. If multiple Reserve Securities are on deposit in the Common Reserve Subaccounts, draws on such Reserve Securities shall be made on a *pro rata* basis.

(e) *The 2021 Reserve Requirement.* On the Issue Date of each Series of the Bonds, the Finance Director shall cause to be deposited into the Reserve Account (or a Reserve Subaccount created therein for this purpose) an amount which will equal the Reserve Requirement for that Series of the Bonds (if any), which may be funded by any combination of the following methods: (1) in cash deposited on the Issue Date; (2) in cash deposited in approximately equal monthly installments which shall be accumulated by no later than five years from the Issue Date; or (3) by the deposit of one or more Reserve Securities, the face amount of which, together with any cash amount deposited therein, is equal to the Reserve Requirement for the Bonds, if any. The Designated Representative shall determine the Reserve Requirement for each Series of Bonds as of its Issue Date, which shall be set forth in the applicable Bond Purchase Agreement or Pricing Certificate and, as to any Series issued as Tax-Exempt Bonds or Tax Credit Subsidy Bonds, shall be an amount equal to no greater than the Tax Maximum. For so long as the Series remains designated as Common Reserve Bonds the Reserve Requirement shall not be set at a level that would cause the Common Reserve Requirement to exceed the Tax Maximum.

Section 5.04 Required Payments Into the Bond Fund; Investment of Money in the Bond Fund.

(a) *Required Payments Into the Bond Fund.* The City covenants to set aside and pay into the Bond Fund out of the Net Revenue, a fixed amount without regard to any fixed proportion, as follows:

(1) Into the Principal and Interest Account, on or before each debt service payment date, an amount sufficient (together with other money then on deposit, including investment earnings retained therein) to pay the principal and interest to become due on the Parity Bonds (including required amounts for mandatory redemption of Term Bonds) on that debt service payment date.

(2) Into the Reserve Account, such amounts as may be required (if any) to be deposited to the subaccounts therein to satisfy the Reserve Requirements for the Common Reserve Bonds, as set forth in Section 5.03.

When the total amount on deposit in the Bond Fund shall equal the total amount of principal and interest for all Parity Bonds then Outstanding to the last maturity thereof, no further payment need be made into the Bond Fund and the amounts in the Reserve Account shall be deposited in the Principal and Interest Account to be applied against the last Parity Bonds Outstanding.

(b) *Failure to Make Payments Into the Bond Fund.* If the City fails to set aside and pay into the Bond Fund the amounts set forth above or fails to pay the principal of and interest on the Bonds when due in accordance with this Ordinance, the owner of any of the Outstanding Parity Bonds may bring action against the City to compel the setting aside and payment of the amounts required.

(c) *Investment of Money in Bond Fund.* Money in the Bond Fund shall, to the fullest extent practicable and reasonable, be invested and reinvested at the direction of the Finance Director solely in, and obligations deposited in such accounts shall consist of, Permitted Investments. Earnings on money and investments in the Principal and Interest Account shall be deposited in and used for the purposes of that fund. Earnings on money and investments in the Reserve Account (and the subaccounts therein) shall be retained in such account or subaccount and credited against amounts required to be deposited therein until the applicable Reserve Requirement is met, and thereafter such earnings shall be deposited in the Principal and Interest Account. In no event shall any money in the Bond Fund or any other money reasonably expected to be used to pay principal of and/or interest on the Bonds be invested at a yield or used in any manner which would cause the Bonds to be arbitrage bonds within the meaning of Section 148 of the Code and applicable regulations thereunder. Any earnings that are subject to a federal tax or rebate requirement may be withdrawn from the Bond Fund for deposit in a Rebate Account as described in Section 7.02.

ARTICLE 6 USE OF BOND PROCEEDS

Section 6.01 Disposition and Use of Bond Proceeds.

(a) *Project Fund Deposit.* On the Issue Date, the proceeds of the Bonds that are allocated to the financing of the Plan of Additions shall be deposited in the appropriate accounts of the Electric Utility Fund designated by the Finance Director to pay costs of carrying out the Plan of Additions. If required and as determined by the Designated Representative, proceeds of a Series of the Bonds may be deposited in the Reserve

Account (or a Reserve Subaccount for that Series) and/or used to purchase a Reserve Security to satisfy the Reserve Requirement for that Series of the Bonds.

(b) *Costs of Issuance.* Bond proceeds to be used to pay costs of issuance may be held in such accounts within the City as the Finance Director may determine pending their use to pay costs of issuance.

ARTICLE 7 BOND COVENANTS; FUTURE PARITY BONDS

Section 7.01 Bond Covenants. The City covenants and agrees with the Owner of each Bond at any time Outstanding, as follows:

(a) It will establish, maintain and collect rates and charges sufficient to meet the Coverage Requirement.

(b) It will at all times maintain and keep the Electric Utility in good repair, working order and condition, and also will at all times operate that utility, and the business in connection therewith, in an efficient manner and at a reasonable cost.

(c) It will not sell, lease, mortgage, or in any manner encumber or dispose of all, or substantially all, of the property of the Electric Utility unless provision is made for the payment into the Bond Fund of sums sufficient to pay the principal of and interest on the Parity Bonds then Outstanding. Furthermore, it will not sell, lease, mortgage, or in any manner encumber or dispose of, in any year, more than 5% of the property of the Electric Utility that is used, useful and material to the operation thereof, unless provision is made for replacement thereof, or for payment into the Bond Fund of the total amount of the proceeds of such sales, leases, mortgages, encumbrances or dispositions. Any such money so paid into the Bond Fund shall be used to retire the Parity Bonds then Outstanding at the earliest possible date. In addition, it will not contract with another entity operating an electric utility to surrender any substantial territory which the Electric Utility serves or plans to serve with electricity without replacing the Gross Revenue received, or expected to be received, from that territory with revenue from another source or other equivalent compensation.

(d) It will, while any of the Bonds remain Outstanding, keep proper and separate accounts and records in which complete and separate entries shall be made of all transactions relating to the Electric Utility, and it will furnish, at the written request of the owners of \$1,000,000 in Outstanding principal amount of the Bonds, complete operating and income statements of the Electric Utility in reasonable detail covering any calendar year not more than 90 days after the close of such calendar year. Upon request of any owner or owners of any of the Bonds, it will also furnish to such owner or owners a copy of the most recently completed audit of the City's accounts by the State Auditor of Washington, or such other audit as is authorized by law in lieu thereof.

(e) Except to aid the poor and infirm consistent with the state constitution, it will not furnish municipal electric service to any customer (including the City) whatsoever free of charge and will promptly take legal action to enforce collection of all delinquent accounts.

(f) It will carry the type of insurance on its Electric Utility property in the amounts normally carried by private electric utility companies engaged in the operation of electric utility systems, or in the alternative, it may self-insure or, through an association of other municipalities, insure such property in similar amounts. The cost of such insurance or self-insurance shall be considered part of Operation and Maintenance Expenses of the Electric Utility.

(g) It will pay, out of Gross Revenue, all Operation and Maintenance Expenses and the debt service requirements of the Parity Bonds, and will otherwise meet the obligations of the City as herein set forth.

(h) It will not permit or enter into any obligation which is to have a prior or equal claim or lien on the Net Revenue of the Electric Utility except as permitted in Section 7.05 of this Ordinance and in compliance with the Parity Bond Test.

Section 7.02 Rebate Account. The Finance Director is authorized to establish and maintain a special fund or account for the purpose of complying with the covenants set forth in Section 8.01(a) relating to arbitrage rebate requirements. All earnings from the investment of Tax-Exempt Bond proceeds, or money treated as Tax-Exempt Bond proceeds under the Code, including money in the Common Reserve Subaccount and allocated to a Tax-Exempt Series of Bonds, in excess of the earnings invested at the yield on such Bonds determined under the Code, shall be deposited in such fund or account, and any earnings therefrom shall be retained therein until required by the Code to be paid to the United States government or until it shall be determined that such money is not required to be so paid. Such fund or account shall be a trust fund established for the benefit of the United States government.

Section 7.03 Rate Stabilization Account. The Finance Director may, at any time consistent with the flow of funds set forth in Section 5.02 of this Ordinance, deposit Net Revenue (and any other available money of the City, excluding principal proceeds of any Future Parity Bonds or other borrowing) into the Rate Stabilization Account. The City may, upon authorization by ordinance, at any time withdraw money from the Rate Stabilization Account for inclusion in the Adjusted Net Revenue for the current Fiscal Year, except that the total amount withdrawn from the Rate Stabilization Account in any Fiscal Year may not exceed an amount equal to the total debt service of the Electric Utility in that year. Such deposits or withdrawals may be made up to and including the date 90 days after the end of the Fiscal Year for which the deposit or withdrawal will be included as Adjusted Net Revenue. Earnings from investments in the Rate Stabilization Account shall be retained in that account and shall not be included as Net Revenue unless and until withdrawn from that account as provided herein. The City may deposit earnings from investments in the Rate Stabilization Account into any Electric Utility fund or account as authorized by ordinance, and such deposits shall be included as Adjusted Net Revenue in the year of deposit. No deposit of Net Revenue shall be made into the Rate Stabilization Account to the extent that such deposit would prevent the City from meeting the Coverage Requirement in the relevant Fiscal Year.

Section 7.04 Contract Resource Obligations. The City may at any time enter into one or more Contract Resource Obligations for the acquisition, from facilities to be

constructed, of electric energy supply, transmission or other commodity or service relating to the Electric Utility. The City may determine that, and may agree under a Contract Resource Obligation to provide that, all payments under that Contract Resource Obligation (including payments prior to the time that electric energy supply or transmission or other commodity or service is being provided, or during a suspension or after termination of supply or service) shall be Operation and Maintenance Expenses if the payments required to be made under the Contract Resource Obligation are not subject to acceleration and the following additional requirements are met at the time such a Contract Resource Obligation is entered into or is deemed to be a Contract Resource Obligation hereunder:

(a) No event of default has occurred and is continuing under the terms of any debt obligation of the City in respect of the Electric Utility; and

(b) There shall be on file a certificate of an independent licensed professional engineer or engineering firm stating that in his, her or its professional opinion:

(1) the payments to be made by the City in connection with the Contract Resource Obligation are reasonable for the supply or transmission rendered;

(2) the source of any new supply, and any facilities to be constructed to provide the supply or transmission, are sound from an electric energy or other commodity supply or transmission planning standpoint, are technically and economically feasible in accordance with prudent utility practice, and are likely to provide supply or transmission no later than a date set forth in the independent licensed professional engineer's certification; and

(3) the Net Revenue of the Electric Utility will be sufficient to meet the Coverage Requirement for each of the five Fiscal Years following the year in which the Contract Resource Obligation is incurred, where the calculation of Net Revenue: (i) takes into account the adjustments to Gross Revenue permitted under the Parity Bond Test; and (ii) adjusts the Operation of Maintenance Expenses by the independent licensed professional engineer's estimate of the payments to be made in accordance with the Contract Resource Obligation.

Nothing in this section shall prevent the City from entering into other agreements for the acquisition of electric energy supply, transmission or other commodity or service relating to the Electric Utility from existing facilities and from treating those payments as Operation and Maintenance Expenses. Nothing in this section shall prevent the City from entering into other agreements for the acquisition of electric energy supply, transmission or other commodity or service from facilities to be constructed and from agreeing to make payments with respect thereto, such payments constituting a lien and charge on the Net Revenue of the Electric Utility subordinate to that of the Parity Bonds.

Section 7.05 Future Parity Bonds; Subordinate Bonds. The City covenants with the owner of each of the Bonds for as long as any of the same are Outstanding that it will not create any special fund or funds for the payment of the principal of and interest on

any additional electric revenue bonds or incur any other obligation that will have any priority over the payments that are required by this Ordinance to be made into the Bond Fund out of the Net Revenue. With respect to Future Parity Bonds, the City covenants that it will issue Future Parity Bonds only if the Parity Bond Test is met and complied with at the time of issuance of such Future Parity Bonds. If the Parity Bond Test is met and complied with at the time of the issuance of such Future Parity Bonds, then payments into the Bond Fund with respect to such Future Parity Bonds shall rank equally with the payments out of the Net Revenue required to be made into the Bond Fund by the ordinances authorizing the issuance of Outstanding Parity Bonds and this Ordinance. Nothing in this Ordinance shall prevent the City from issuing Subordinate Bonds.

ARTICLE 8 FEDERAL TAX AND DISCLOSURE MATTERS.

Section 8.01 Federal Tax Matters. For each Series of the Bonds, the City's Designated Representative shall determine whether such Series is to be issued as Tax-Exempt Bonds, Tax Credit Subsidy Bonds or Taxable Bonds, and may approve such additional terms and covenants relating to federal tax matters as the Designated Representative deems necessary or appropriate, including the following:

(a) *Tax-Exempt Bonds*. For each Series of the Bonds issued as Tax-Exempt Bonds, the City covenants that it will take all actions that are reasonably within its power and necessary to prevent interest on that Series from being included in gross income for federal income tax purposes. The City further covenants that it will neither take any action nor make or permit any use of gross proceeds of that Series (or other funds of the City treated as gross proceeds of that Series) at any time during the term of such Series that will cause interest on such Series to be included in gross income for federal income tax purposes. The City also covenants that, to the extent the arbitrage rebate requirement of Section 148 of the Code is applicable to any Series issued as Tax-Exempt Bonds, it will take all actions necessary to comply (or to be treated as having complied) with that requirement in connection with that Series (including the calculation and payment of any penalties that the City may elect to pay as an alternative to calculating rebatable arbitrage and the payment of any other penalties if required under Section 148 of the Code) to prevent interest on such Series from being included in gross income for federal income tax purposes.

(b) *Taxable Bonds; Tax Credit Subsidy Bonds*. For each Series of the Bonds issued as Taxable bonds or as Tax Credit Subsidy Bonds, if any, the Designated Representative is authorized to make provision in the Bonds and related documents, to execute additional written agreements, and to make additional covenants on behalf of the City, all as he or she may deem necessary or appropriate in order to obtain, maintain, and administer such tax status. In the case of Tax Credit Subsidy Bonds, such additional covenants and agreement may include (without limiting the generality of the foregoing) those necessary in order for the City: (i) to receive from the United States Treasury the applicable Tax Credit Subsidy Payments in respect of such Tax Credit Subsidy Bonds; and (ii) to ensure that such Series otherwise become and remain eligible for tax benefits under the Code.

(b) *Post-Issuance Compliance.* The Finance Director is authorized and directed to review and update the City's written procedures to facilitate compliance by the City with the covenants in this Ordinance and the applicable requirements of the Code that must be satisfied after the Issue Date to prevent interest on the Bonds from being included in gross income for federal tax purposes.

Section 8.02 Official Statement; Continuing Disclosure.

(a) *Preliminary Official Statement.* The Designated Representative and other appropriate City officials are directed to cause the preparation of and review the form of a preliminary Official Statement in connection with each sale of one or more Series to the public. For the sole purpose of an underwriter's compliance with paragraph (b)(1) of Rule 15c2-12, if applicable, the Designated Representative is authorized to deem that preliminary Official Statement final as of its date, except for the omission of information permitted to be omitted by Rule 15c2-12. The City approves the distribution to potential purchasers of the Bonds of a preliminary Official Statement that has been deemed final in accordance with this subsection.

(b) *Final Official Statement.* The City approves the preparation of a final Official Statement for the Bonds to be sold to the public in the form of the preliminary Official Statement that has been deemed final in accordance with subsection (a), with such modifications and amendments as the Designated Representative deems necessary or desirable, and further authorizes the Designated Representative to execute and deliver such final Official Statement to the Purchaser, if required under Rule 15c2-12. The City authorizes and approves the distribution by the Purchaser of the final Official Statement so executed and delivered to purchasers and potential purchasers of the Bonds.

(c) *Agreement to Provide Continuing Disclosure.* If necessary to meet the requirements of paragraph (b)(5) of Rule 15c2-12, as applicable to the Purchaser acting as a participating underwriter for the Bonds, the Designated Representative is authorized to execute a written undertaking to provide continuing disclosure for the benefit of holders of the Bonds (the "Continuing Disclosure Agreement") in substantially the form attached as Exhibit D.

ARTICLE 9
AMENDMENTS; DEFAULTS AND REMEDIES

Section 9.01 Amendatory Ordinances. This Ordinance shall not be modified or amended in any respect subsequent to the initial issuance of the Bonds, except as provided in and in accordance with and subject to the provisions of this section. Ordinances authorizing the issuance of Future Parity Bonds shall not be deemed to be supplemental or amendatory ordinances described in this section.

(a) *Amendments Not Requiring Consent.* The City may from time to time and at any time, without the consent of or notice to the Registered Owners of the Parity Bonds at the time Outstanding, pass amendatory ordinances as set forth below. Before the City shall pass any such amendatory ordinance pursuant to this subsection (b), there shall have been delivered to the City an opinion of Bond Counsel, stating that such amendatory ordinance is authorized or permitted by this Ordinance and will, upon the execution and

delivery thereof, be valid and binding upon the City in accordance with its terms and will not adversely affect the exemption from federal income taxation of interest on any Parity Bonds issued as tax-exempt bonds.

(1) to cure any formal defect, omission, inconsistency or ambiguity in this Ordinance in a manner not adverse to the Owner of any Parity Bond;

(2) to impose upon the Bond Registrar (with its consent) for the benefit of the Owners of the Bonds any additional rights, remedies, powers, authority, security, liabilities or duties which may lawfully be granted, conferred or imposed and which are not contrary to or inconsistent with this Ordinance as theretofore in effect;

(3) to add to the covenants and agreements of, and limitations and restrictions upon, the City in this Ordinance other covenants, agreements, limitations and restrictions to be observed by the City which are not contrary to or inconsistent with this Ordinance as theretofore in effect;

(4) to confirm, as further assurance, any pledge under, and to subject to any claim, lien or pledge created or to be created by, this Ordinance any other money, securities or funds;

(5) to authorize different denominations of the Bonds and to make correlative amendments and modifications to this Ordinance regarding exchangeability of Outstanding Bonds of different authorized denominations, redemptions of portions of Bonds of particular authorized denominations and similar amendments and modifications of a technical nature; and

(6) to modify, alter, amend or supplement this Ordinance in any other respect which is not materially adverse to the Owners of the Parity Bonds at the time Outstanding, and which does not involve a change described in subsection (c) of this section.

(b) *Amendments Requiring Supermajority Consent.* In addition to an amendatory ordinance passed pursuant to subsection (b) above, the Registered Owners of not less than 60% in aggregate principal amount of Parity Bonds then Outstanding shall have the right from time to time to consent to and approve the passage by the City of any amendatory ordinance deemed necessary or desirable by the City Council for the purpose of amending or supplementing, in any particular, any of the terms or provisions contained in this Ordinance, as follows:

(1) Prior to passage of the proposed amendatory ordinance, the City shall cause notice of the proposed amendatory ordinance to be given by first class United States mail to all Registered Owners of the Parity Bonds then Outstanding, to any Bond Insurer providing a bond insurance policy then in effect with respect to an issue of Parity Bonds, to the extent required under such policy, and each Rating Agency. Such notice shall briefly set forth the nature of the proposed amendatory ordinance and shall state that

a copy thereof is on file at the office of the City Clerk for inspection by all Registered Owners of the Outstanding Bonds.

(2) Within two years after the date of the mailing of such notice, the City may pass such amendatory ordinance in substantially the form described in such notice, but only if there shall have first been delivered to the Bond Registrar (i) the required consents, in writing, of the Registered Owners of the Bonds, and (ii) an opinion of Bond Counsel stating that such amendatory ordinance is authorized or permitted by this Ordinance and, upon the execution and delivery thereof, will be valid and binding upon the City in accordance with its terms and will not adversely affect the exemption from federal income taxation of the interest on the Bonds.

(3) If Registered Owners of not less than 60% of Parity Bonds then Outstanding have consented to the passage of the amendatory ordinance as herein provided, no owner of the Bonds shall have any right to object to the passage of such amendatory ordinance, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the adoption thereof, or to enjoin or restrain the City from passing the same or from taking any action pursuant thereto.

(c) *Amendments Requiring Unanimous Consent.* Nothing contained in this section shall permit, or be construed as permitting, except upon consent of all of the Registered Owners of the Parity Bonds then Outstanding: (i) a change in the times, amounts or currency of payment of the principal of or interest on any Parity Bond then Outstanding, or a reduction in the principal amount or redemption price of any Parity Bond then Outstanding, or a change in the method of redemption or redemption price of any Parity Bond then Outstanding, or a change in the method of determining the rate of interest thereon; (ii) a preference or priority of any bond or bonds over any other bond or bonds; or (iii) a reduction in the aggregate principal amount of Parity Bonds.

(d) *Effect of Amendment.* Upon the passage of any amendatory ordinance pursuant to the provisions of this section, this Ordinance shall be, and be deemed to be, modified and amended in accordance therewith, and the respective rights, duties and obligations under this Ordinance of the City and all Registered Owners of Bonds then Outstanding shall thereafter be determined, exercised and enforced under this Ordinance subject in all respects to such amendments.

Section 9.02 Defaults and Remedies. ***The following Section 9.02 shall go into effect as of the First Parity Covenant Date:***

(a) Events of Default. *The following shall constitute "Events of Default" with respect to the Bonds:*

(1) *If a default is made in the payment of the principal of or interest on any of the Bonds when the same shall become due and payable;*
or

(2) *If the City defaults in the observance and performance of any other of the covenants, conditions and agreements on the part of the City set forth in this Ordinance or any covenants, conditions or agreements on the part of the City contained in any Parity Bond authorizing ordinance and such default or defaults have continued for a period of six months after they have received from the Bondowners' Trustee (as defined below) or from the registered owners of not less than 25% in principal amount of the Parity Bonds, a written notice specifying and demanding the cure of such default. However, if the default in the observance and performance of any other of the covenants, conditions and agreements is one which cannot be completely remedied within the six months after written notice has been given, it shall not be an Event of Default with respect to the Bonds as long as the City has taken active steps within 90 days after written notice has been given to remedy the default and is diligently pursuing such remedy.*

(3) *If the City files a petition in bankruptcy or is placed in receivership under any state or federal bankruptcy or insolvency law.*

(b) *Bondowners' Trustee. So long as such Event of Default has not been remedied, a bondowners' trustee (the "Bondowners' Trustee") may be appointed by the registered owners of 25% in principal amount of the Parity Bonds then outstanding, by an instrument or concurrent instruments in writing signed and acknowledged by such registered owners of the Parity Bonds or by their attorneys-in-fact duly authorized and delivered to such Bondowners' Trustee, notification thereof being given to the City. That appointment shall become effective immediately upon acceptance thereof by the Bondowners' Trustee. Any Bondowners' Trustee appointed under the provisions of this section shall be a bank or trust company organized under the laws of the State of Washington or the State of New York or a national banking association. The bank or trust company acting as Bondowners' Trustee may be removed at any time, and a successor Bondowners' Trustee may be appointed, by the registered owners of a majority in principal amount of the Parity Bonds, by an instrument or concurrent instruments in writing signed and acknowledged by such registered owners of the Bonds or by their attorneys-in-fact duly authorized. The Bondowners' Trustee may require such security and indemnity as may be reasonable against the costs, expenses and liabilities that may be incurred in the performance of its duties. If any Event of Default is, in the sole judgment of the Bondowners' Trustee, cured and the Bondowners' Trustee furnishes to the City a certificate so stating, that Event of Default shall be conclusively deemed to be cured and the City, the Bondowners' Trustee and the registered owners of the Parity Bonds shall be restored to the same rights and position which they would have held if no Event of Default had occurred. The Bondowners' Trustee appointed in the manner herein provided, and each successor thereto, is declared to be a trustee for the registered owners of all the Parity Bonds and is empowered to exercise all the rights and powers herein conferred on the Bondowners' Trustee.*

(c) *Suits at Law or in Equity. Upon the happening of an Event of Default and during the continuance thereof, the Bondowners' Trustee may (and, upon the written request of the registered owners of not less than 25% in principal amount of the Parity Bonds outstanding, must) take such steps and institute such suits, actions or other*

proceedings, all as it may deem appropriate for the protection and enforcement of the rights of the registered owners of the Parity Bonds, to collect any amounts due and owing to or from the City, or to obtain other appropriate relief, and may enforce the specific performance of any covenant, agreement or condition contained in this Ordinance or in any of the Parity Bonds. Any action, suit or other proceedings instituted by the Bondowners' Trustee hereunder shall be brought in its name as trustee for the owners of the Parity Bonds and all such rights of action upon or under any of the Parity Bonds or the provisions of this Ordinance may be enforced by the Bondowners' Trustee without the possession of any of those Parity Bonds and without the production of the same at any trial or proceedings relative thereto except where otherwise required by law. Any such suit, action or proceeding instituted by the Bondowners' Trustee shall be brought for the ratable benefit of all of the owners of those Parity Bonds, subject to the provisions of this Ordinance. The respective owners of the Parity Bonds, by taking and holding the same, shall be conclusively deemed irrevocably to appoint the Bondowners' Trustee the true and lawful trustee of the respective owners of those Parity Bonds, with authority to institute any such action, suit or proceeding; to receive as trustee and deposit in trust any sums becoming distributable on account of those Parity Bonds; to execute any paper or documents for the receipt of money; and to do all acts with respect thereto that the registered owner himself or herself might have done in person. Nothing herein shall be deemed to authorize or empower the Bondowners' Trustee to consent to accept or adopt, on behalf of any registered owner of the Parity Bonds, any plan of reorganization or adjustment affecting the Parity Bonds or any right of any registered owner thereof, or to authorize or empower the Bondowners' Trustee to vote the claims of the registered owners thereof in any receivership, insolvency, liquidation, bankruptcy, reorganization or other proceeding to which the City is a party.

(d) No Acceleration. Nothing contained in this section shall, in any event or under any circumstance, be deemed to authorize the acceleration of maturity of principal on the Parity Bonds, and the remedy of acceleration is expressly denied to the owners of the Parity Bonds under any circumstances including, without limitation, upon the occurrence and continuance of an Event of Default.

(e) Application of Money Collected by Bondowners' Trustee. Any money collected by the Bondowners' Trustee at any time pursuant to this section shall be applied in the following order of priority:

(1) First, to the payment of the charges, expenses, advances and compensation of the Bondowners' Trustee and the charges, expenses, counsel fees, disbursements and compensation of its agents and attorneys.

(2) Second, to the payment to the persons entitled thereto of all installments of interest then due on the Parity Bonds in the order of maturity of such installments and, if the amount available shall not be sufficient to pay in full any installment or installments maturing on the same date, then to the payment thereof ratably, according to the amounts due thereon to the persons entitled thereto, without any discrimination or preference.

(3) Third, to the payment to the persons entitled thereto of the unpaid principal amounts of any Parity Bonds which shall have become due

(other than Parity Bonds previously called for redemption for the payment of which money is held pursuant to the provisions hereto), whether at maturity or by proceedings for redemption or otherwise, in the order of their due dates and, if the amount available shall not be sufficient to pay in full the principal amounts due on the same date, then to the payment thereof ratably, according to the principal amounts due thereon to the persons entitled thereto, without any discrimination or preference.

(f) Duties and Obligations of Bondowners' Trustee. The Bondowners' Trustee shall not be liable except for the performance of such duties as are specifically set forth herein. During an Event of Default, the Bondowners' Trustee shall exercise such of the rights and powers vested in it hereby, and shall use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs. The Bondowners' Trustee shall have no liability for any act or omission to act hereunder except for the Bondowners' Trustee's own negligent action, its own negligent failure to act or its own willful misconduct. The duties and obligations of the Bondowners' Trustee shall be determined solely by the express provisions of this Ordinance, and no implied powers, duties or obligations of the Bondowners' Trustee shall be read into this Ordinance. The Bondowners' Trustee shall not be required to expend or risk its own funds or otherwise incur individual liability in the performance of any of its duties or in the exercise of any of its rights or powers as the Bondowners' Trustee, except as may result from its own negligent action, its own negligent failure to act or its own willful misconduct. The Bondowners' Trustee shall not be bound to recognize any person as a registered owner of any Bond until his or her title thereto, if disputed, has been established to its reasonable satisfaction. The Bondowners' Trustee may consult with counsel and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance with the opinion of such counsel. The Bondowners' Trustee shall not be answerable for any neglect or default of any person, firm or corporation employed and selected by it with reasonable care.

(g) Suits by Individual Bondowners Restricted. Neither the registered owner nor the beneficial owner of any one or more of Parity Bonds shall have any right to institute any action, suit or proceeding at law or in equity for the enforcement of same unless:

- (1) an Event of Default has happened and is continuing; and*
- (2) a Bondowners' Trustee has been appointed; and*
- (3) such owner previously shall have given to the Bondowners' Trustee written notice of the Event of Default on account of which such suit, action or proceeding is to be instituted; and*
- (4) the registered owners of 25% in principal amount of the then outstanding Parity Bonds have made, after the occurrence of such Event of Default, written request of the Bondowners' Trustee and have afforded the Bondowners' Trustee a reasonable opportunity to institute such suit, action or proceeding; and*

(5) *there have been offered to the Bondowners' Trustee security and indemnity satisfactory to it against the costs, expenses and liabilities to be incurred therein or thereby; and*

(6) *the Bondowners' Trustee has refused or neglected to comply with such request within a reasonable time.*

No registered owner or beneficial owner of any Parity Bond shall have any right in any manner whatever by his or her action to affect or impair the obligation of the City to pay from the Net Revenue the principal of and interest on such Parity Bonds to the respective owners thereof when due.

ARTICLE 10 MISCELLANEOUS

Section 10.01 Refunding or Defeasance of the Bonds. The City may issue refunding bonds pursuant to State law or use money available from any other lawful source to carry out a refunding or defeasance plan, which may include: (a) paying when due the principal of and interest on any or all of the Bonds (the "defeased Bonds"); (b) redeeming the defeased Bonds prior to their maturity; and (c) paying the costs of the refunding or defeasance. If the City sets aside in a special trust fund or escrow account irrevocably pledged to that redemption or defeasance (the "trust account") money and/or Government Obligations maturing at a time or times and bearing interest in amounts sufficient to redeem, refund or defease the defeased Bonds in accordance with their terms, then all right and interest of the Owners of the defeased Bonds in the covenants of this Ordinance and (except as hereinafter provided) in the Net Revenue of the Electric Utility, funds and accounts obligated to the payment of the defeased Bonds shall cease and become void. Thereafter, the Owners of defeased Bonds shall have the right to receive payment of the principal of and interest on the defeased Bonds from the trust account and, if funds in the trust account are not available for such payment, shall have the residual right to receive payment of the principal of and interest on the defeased Bonds from the Net Revenue of the Electric Utility without any priority of lien or charge against that revenue or covenants with respect thereto except to be paid therefrom. After the establishing and full funding of such a trust account, the City may then apply any money in any other fund or account established for the payment or redemption of the defeased Bonds to any lawful purposes as it shall determine, subject only to the rights of the owners of any other Parity Bonds then Outstanding.

Unless otherwise specified by the City in a refunding or defeasance plan, notice of refunding or defeasance shall be given, and selection of Bonds for any partial refunding or defeasance shall be conducted, in the manner prescribed in this Ordinance for the redemption of Bonds.

If the refunding or defeasance plan provides that the defeased Bonds or the refunding bonds to be issued be secured by money and/or Government Obligations pending the prior redemption of the defeased Bonds and if such refunding plan also provides that certain money and/or Government Obligations are pledged irrevocably for the prior redemption of the defeased Bonds included in that refunding plan, then only the debt service on the Bonds which are not defeased Bonds and the refunding bonds, the

payment of which is not so secured by the refunding plan, shall be included in the computation of the Coverage Requirement for the issuance of Future Parity Bonds and the annual computation of coverage for determining compliance with the rate covenants.

Section 10.02 Sale and Delivery of the Bonds.

(a) *Manner of Sale of Bonds; Delivery of Bonds.* The Designated Representative is authorized to sell each Series of Bonds by negotiated sale, direct placement or competitive sale, based on the assessment of the Designated Representative of market conditions, in consultation with appropriate City officials, staff, municipal advisors, Bond Counsel and other advisors. In determining the method of sale and accepting the Bond Sale Terms, the Designated Representative shall take into account those factors that, in the judgment of the Designated Representative, may be expected to result in the lowest true interest cost to the City.

(b) *Procedure for Negotiated Sale or Direct Placement.* If the Designated Representative determines that a Series of Bonds is to be sold by negotiated sale or direct placement, the Designated Representative shall select one or more Purchasers with which to negotiate such sale. The Bond Purchase Agreement shall set forth the Bond Sale Terms. The Designated Representative is authorized to execute and deliver the Bond Purchase Agreement on behalf of the City, so long as the terms provided therein are consistent with the terms of this Ordinance.

(c) *Procedure for Competitive Sale.* If the Designated Representative determines that a Series of Bonds are to be sold by competitive sale, the Designated Representative shall cause the preparation of an official notice of bond sale setting forth bid parameters that the Designated Representative deems appropriate consistent with this Ordinance. Bids for the purchase of the Bonds shall be received at such time or place and by such means as the Designated Representative directs. On the date and time established for the receipt of bids, the Designated Representative (or the designee of the Designated Representative) shall accept bids and shall cause the bids to be mathematically verified. The Designated Representative is authorized to award, on behalf of the City, the winning bid and to accept the winning bidder's offer to purchase the Bonds with such adjustments to the aggregate principal amount and principal amount per maturity as the Designated Representative deems appropriate consistent with the terms of this Ordinance. The Designated Representative may reject any or all bids submitted and may waive any formality or irregularity in any bid or in the bidding process if the Designated Representative deems it to be in the City's best interest to do so. If all bids are rejected, the Bonds may be sold pursuant to negotiated sale or in any manner provided by law as the Designated Representative determines is in the best interest of the City, within the parameters set forth in this Ordinance.

(d) *Preparation, Execution and Delivery of the Bonds.* The Bonds will be prepared at City expense and will be delivered to the Purchaser in accordance with the Bond Purchase Agreement, together with the approving legal opinion of Bond Counsel regarding the Bonds.

Section 10.03 General Authorization and Ratification. The Designated Representative and other appropriate officers of the City are severally authorized to take

such actions and to execute such documents as in their judgment may be necessary or desirable to carry out the transactions contemplated in connection with this Ordinance, and to do everything necessary for the prompt delivery of each Series of Bonds to the Purchaser and for the proper application, use and investment of the proceeds of the Bonds. All actions taken prior to the effective date of this Ordinance in furtherance of the purposes described in this Ordinance and not inconsistent with the terms of this Ordinance are ratified and confirmed in all respects.

Section 10.04 Severability. The provisions of this Ordinance are declared to be separate and severable. If a court of competent jurisdiction, all appeals having been exhausted or all appeal periods having run, finds any provision of this Ordinance to be invalid or unenforceable as to any person or circumstance, such offending provision shall, if feasible, be deemed to be modified to be within the limits of enforceability or validity. However, if the offending provision cannot be so modified, it shall be null and void with respect to the particular person or circumstance, and all other provisions of this Ordinance in all other respects, and the offending provision with respect to all other persons and all other circumstances, shall remain valid and enforceable.

Section 10.05 Effective Date of Ordinance. This Ordinance shall take effect the day following its publication in the official newspaper of the City of Richland.

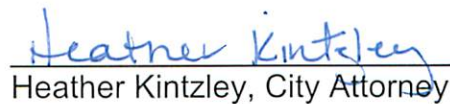

PASSED by the City Council of the City of Richland, Washington, at a regular open public meeting thereof, this 19th day of October, 2021.

(f) Remedy for Failure to Comply with Continuing Disclosure Agreement. As soon as practicable after the City learns of any material failure to comply with this Continuing Disclosure Agreement, the City will proceed with due diligence to cause such noncompliance to be corrected. No failure by the City or other obligated person to comply with this Continuing Disclosure Agreement shall constitute a default in respect of the Bonds.
