**Operation Guidelines**  
**Resources ordered through the DNR Region or Division for**  
**Dispatch outside of District/Department jurisdictional boundaries**

Department of Natural Resources (DNR) agrees to dispatch District/Department resources to incidents outside of the Districts/Department jurisdictional boundaries as needed to meet DNR responsibilities and as approved by the District/Department. Dispatches can include out of the state of Washington. Participation by a District/Department with incidents outside its jurisdiction is voluntary and separate from involvement in State Fire Mobilization.

This Agreement extends to all District/Department members:

- Washington Fire Service (WFS) paid members which District/Department allow to participate will be paid by the District/Department. DNR will reimburse district/department costs as outlined in this agreement.
- Members of Washington Fire Service who are volunteers will need to be hired by the DNR via the DNR casual hire process and paid directly by DNR. This may be completed pre-season or at the time of the incident. Your local DNR Region office will handle the casual hire process.

**District/Department agrees:**

- 1) All personnel dispatched outside of their jurisdictional boundaries will have a valid Incident Qualification Card (red card) stating current qualifications; and will adhere to qualifications and standards described in NWCG PMS 310-1;
- 2) To keep equipment and personnel status current in the Interagency Resource Ordering Capability (IROC) by selecting option a. or b. below. List available resources on the following resource list addendum. (Check one):
  - a.  With DNR Region approval, DNR Region will give Web-Status rights to IROC for district employees. It is the employee's responsibility to ensure that their status is accurate.
  - b.  DNR Region will status your employees. For this option, you would need to provide your local DNR Region Dispatch with the status of your employees every Monday by 1200 hours. Dispatch would then update their status in IROC for that week (0800 Tuesday to 0800 Tuesday).

For dispatches outside of the DNR region, approval from DNR host region fire staff is required. Host region fire staff will coordinate with Wildland Fire Management Division in order to ensure statewide readiness.

- 3) To notify your local DNR Region of any changes in status of personnel/equipment (i.e.; dispatched/demobilized under State Fire Mobilization, demobilization & ETA home from incidents dispatched thru DNR, etc.);
- 4) All personnel and equipment dispatched will be paid by the District/Department; (except volunteers will follow payment procedures outlined in their individual agreement and be paid directly by DNR);

- 5) All Equipment and Personnel dispatched under this agreement will arrive at each incident with a copy of their current Forestland Response Agreement.
- 6) Invoice for personnel and equipment costs billed to DNR will include:
  - a. Original Emergency Fire Time Report (OF-288); hourly wage rate (regular and OT) for personnel hours on the OF-288. This applies to paid district/department staff. Volunteers will be paid directly by DNR.
  - b. Original shift ticket (OF-286) documenting mileage to/from incident as well as mileage incurred on the incident signed by the incident supervisor.
  - c. Copy of Resource Order card.
- 7) Invoices requesting payment for equipment (engines/tenders) will be submitted to DNR within sixty (60) business days of the last date of the incurred expense for the incident and shall include Original Emergency Equipment Use Invoice Form (OF-286) and shift tickets (OF-297); and
- 8) Invoices requesting payment for other travel costs (meals, lodging not provided by the incident) must be submitted to DNR within sixty (60) business days of the last date of the incurred expense for the incident.
- 9) Only utilize agency owned vehicles or procured rental vehicles on the fireline or off-road.

**DNR agrees to:**

- 1) Assist the District/Department with updating status of IMT members in IROC;
- 2) Maintain IQS records for District/Department personnel with NWCG PMS 310-1 wildland fire qualifications, if red carded through the DNR;
- 3) Reimburse District/Department within 30 days of invoice receipt and documentation as required above;
- 4) Reimburse the Fire Service District/Department at the Total Cost of personnel. This includes, regular time, overtime, and District/Department backfill for that position as outlined in the State Mobilization Plan. The DNR will not pay for muster time, wildland premium pay, or other unspecified pay provisions.

Rental vehicles for Off-road use must be procured consistent with the National Emergency Rental Vehicle Blanket Purchase Agreement (NERV). Rental vehicles for non-fire line positions must be rented through alternative sources other than the USFS NERV rental vehicle agreement. Rental vehicle authorization must be documented on the resource order. Please speak with your local DNR Region for more specific information.
